FRANKIE D. JONES

Moss,

I know I've been a hard
person to get along with but
it made you have a better
attitude towards young ladies
like me. Strive for the best
when you go to school and
Don't settle for less because
you know you can be the
best. If you need someone
to argue with just give me
a ring.
Love,

Love,

Shara Dvela Salo

The world

no more Frankie "Moose" Jones
because your 1 of a kind.

To Mase,
a wild & loud
boy who always to say,
has something in the future,
Good luck you'll need it. (just
cause you'll need it.)
Kiddings but keep in
touch.
Love,

To Moose
I know you've been hell. But
don't worry you've been O.K. I'm
surprised that I ever had a
friend like you. You're a nice
young man and I wish
you luck in the
coming year.
Your forever Love,
Sheryl

Moose,
A friend never forgets
since to luck you in
young. I hope you're
you and I kinda hope

RAIDER DEDICATION

Mr. David Mesimore has been a dedicated faculty member at W.J. Keenan for sixteen years. He has been a teacher, athletic director and above all, a friend to the students at Keenan. The 1987-88 yearbook staff is proud to dedicate the yearbook to Mr. Mesimore.

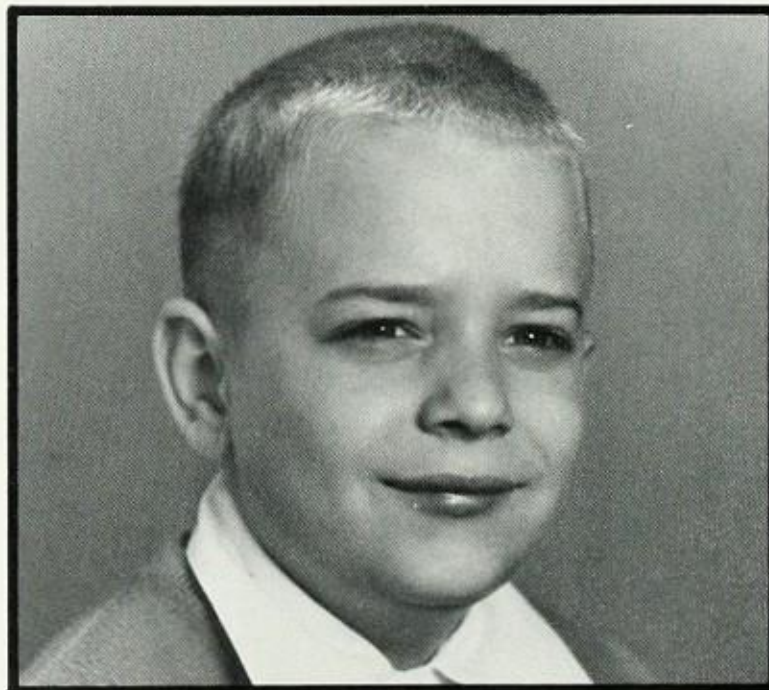

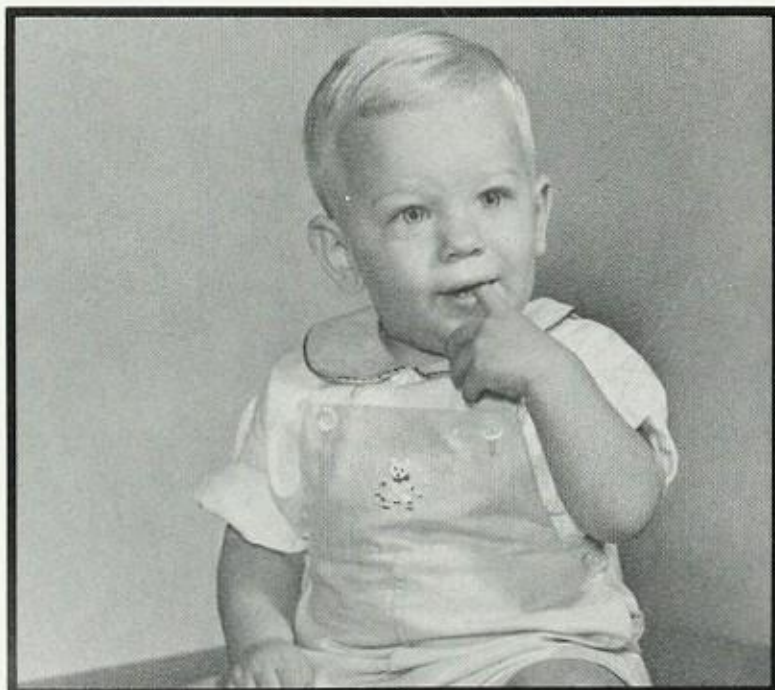

Mr. Mesimore's story began on November 4, 1947 in the town of Salisbury, North Carolina. His proud parents are William and Rachel Mesimore. Young David attended Wiley Elementary School where he was an outstanding student. His family was active in Bible School and other youth activities. Mr. Mesimore went to Knox Junior High where he received excellent grades which prompted his teachers to write comments such as "David has been a pleasure to teach" and "David always does his best." After junior high school, Mr. Mesimore moved on to Boyden High School. In high school he maintained a 4.0 average and graduated with honors in June, 1966. As a reward for all his hard work in high school, Mr. Mesimore's parents bought him a Volkswagen "bug".

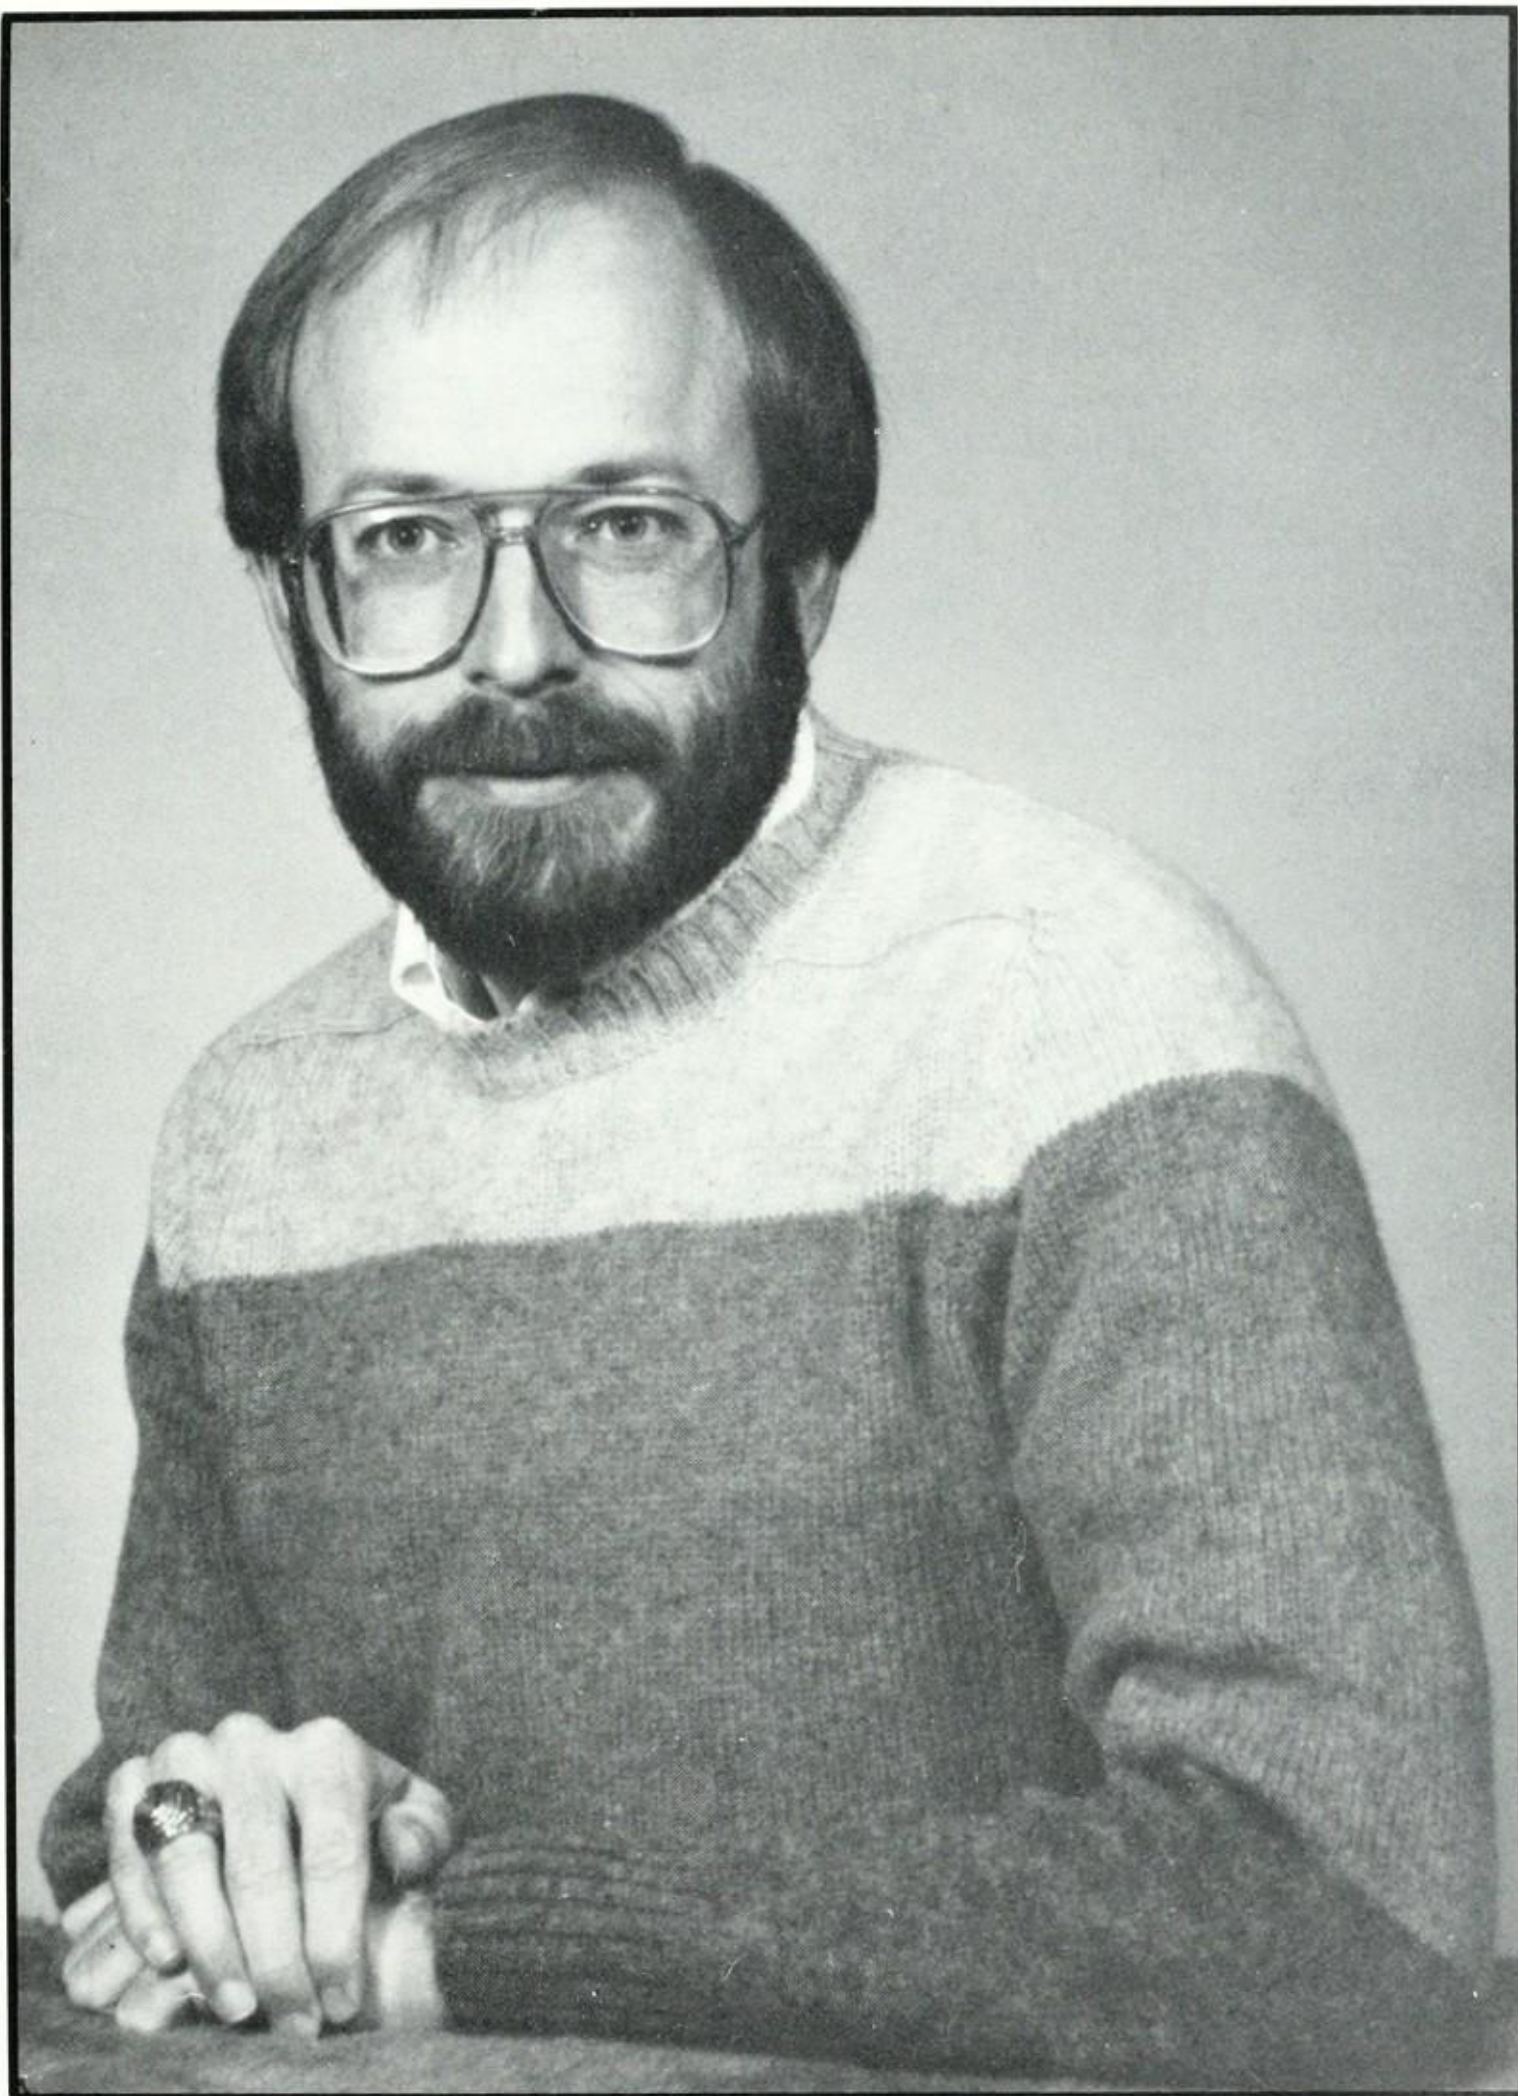

In September, 1966, Mr. Mesimore packed up his Volkswagen and set out for college. He attended Western Carolina University in Cullowhee, North Carolina. In college he majored in math and learned all the math facts he has been teaching his students at Keenan. His senior year he was a student teacher at Silva Weber High School. He graduated Magna Cum Laude from Western Carolina in 1970. After college Mr. Mesimore moved to Columbia, South Carolina where he entered the University of South Carolina to pursue his master's degree, which he received in 1971.

In the fall of 1970, Mr. Mesimore began his teaching at W.J. Keenan High School. Over the years he has taught a variety of math courses with his main emphasis now on upper level math courses such as Algebra III/Trigonometry and Calculus. Mr. Mesimore was involved in coaching football and track during his early years at Keenan. He took over as Athletic Director in 1979 and has held that position ever since. He has been the sponsor of the Block K Club for a number of years and a class sponsor for the past four years.

Although Mr. Mesimore spends a lot of time at Keenan, he is also very involved in his church. He attends Trinity Lutheran Church where he has served as the President of the Congregation and has been the chairperson of the Educational Ministry Committee. He has also been the Sunday School Superintendent. He is presently a Lector, a Lay Reader in the congregation and has been a Youth Advisor for three years. Pastor McLaniel of Trinity Lutheran Church says "David is very dependable, reliable and he always does an outstanding job in all his endeavors. He is respected by both youths and adults at his church."

Thank you Mr. Mesimore for all the long hours you put in to help the coaches, athletes, and everyone else you come in contact with. Keep up the good work and congratulations on this well deserved honor. We love you!

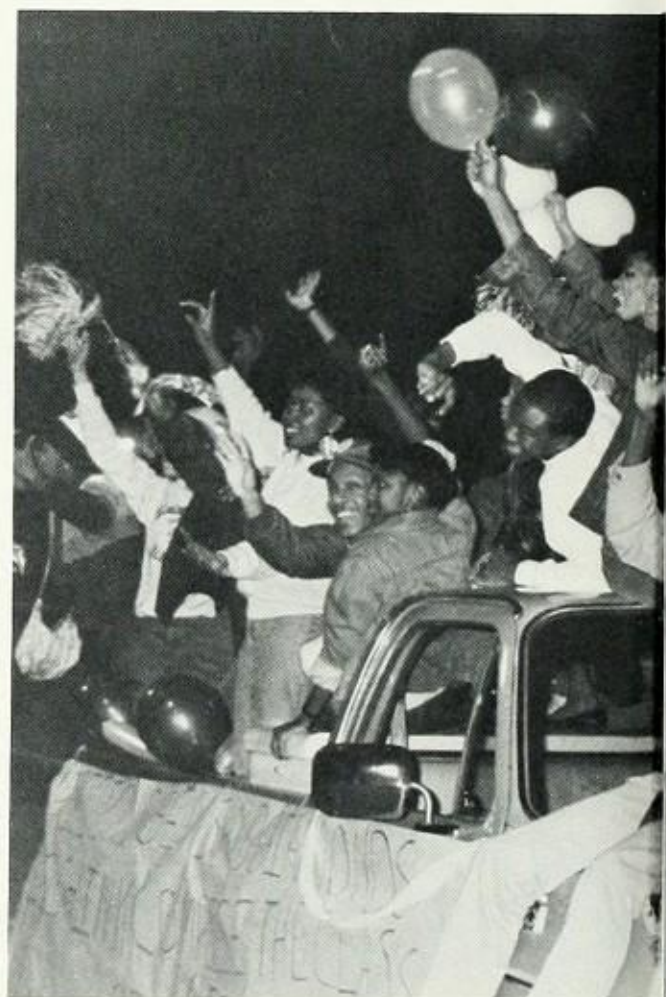

MR. DAVID FRANKLIN MESIMORE

CHANGING OUR IMAGE

There comes a time in life when change is necessary, when the old must be replaced by the new. It is with this thought in mind that this year's yearbook theme — "Changing Our Image" — came to be . . .

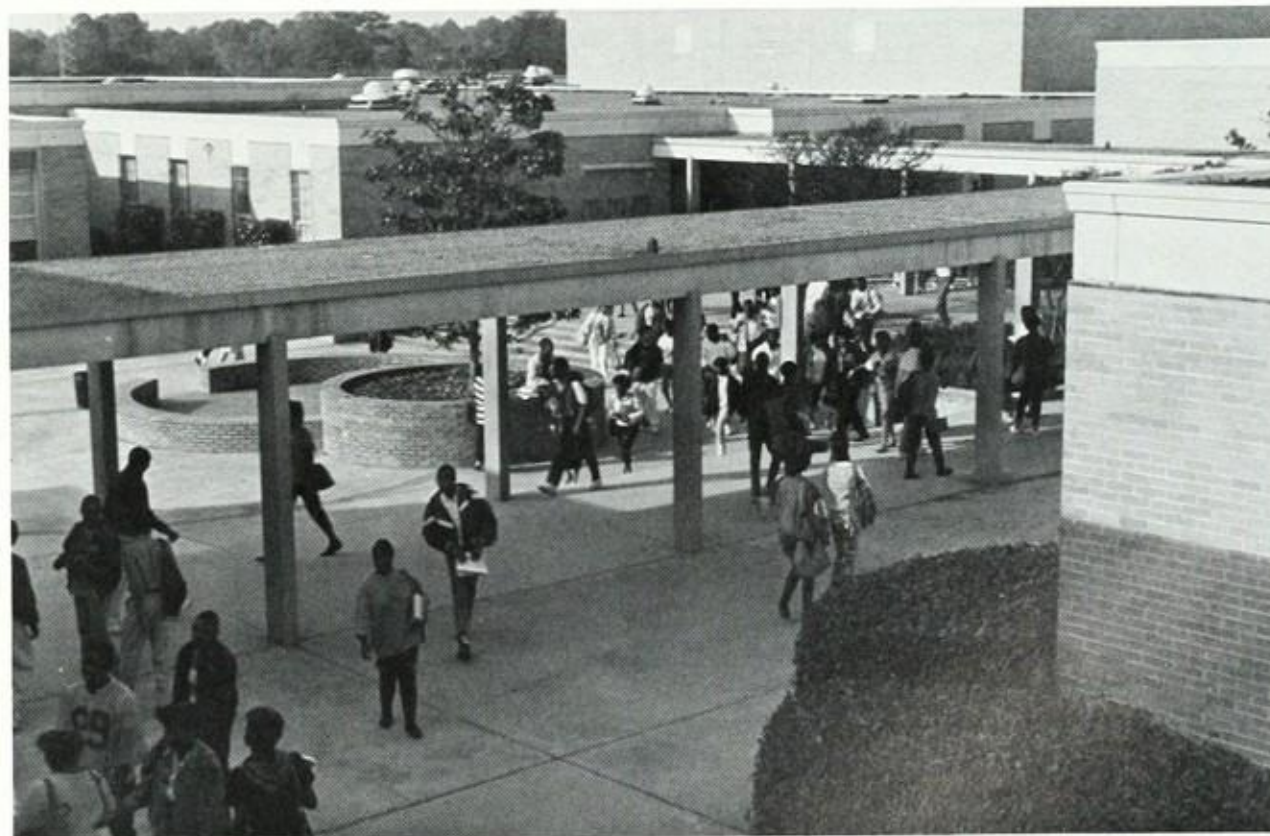

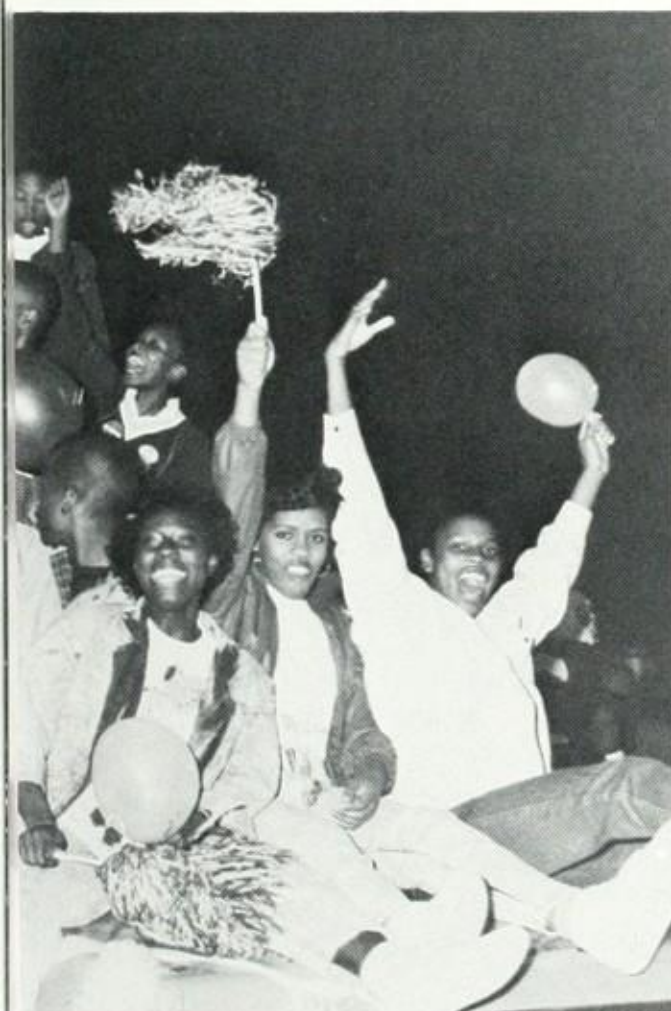

In many ways Keenan High School proved itself to be a dynamic institution; changing its image in nearly every facet of academic, athletic, and student life. The year marked ordinary and extra ordinary events which shaped the future for all the students, faculty, and administration. For many students it was a year of goodbyes, as they stepped into the working world, and for many others it was a year of hellos, as they stepped into a different environment.

The Raider Rubber Band performs a unique show in the stands.

Four students get acquainted with each other at the beginning of school.

The Jazzy Juniors put on their natural act in the Homecoming Parade.

During the morning, students rush to class to get a quality education.

CHANGING

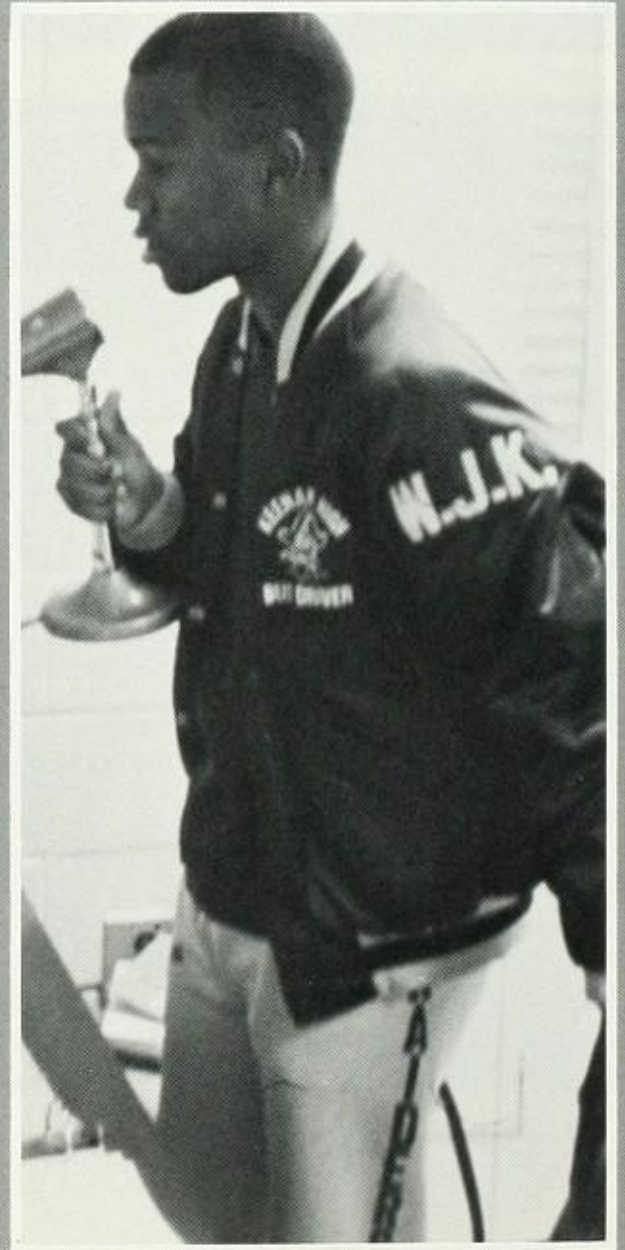

Tasha and Antoinette have been hypnotized.

Three is a crowd.

Student Body Vice-President, Anthony Jones says a good cheer over the P.A. system.

OUR IMAGE

KEENAN HIGH —

In 1960, there was a small forest where W.J. Keenan High School now stands. Rumor has it that two youngsters accidentally set fire to the forest, clearing a very large area of land. Someone suggested building a school on this newly cleared land, and W.J. Keenan Junior High School was thereby conceived. Its doors were opened in 1963, joining Crayton Junior High School as a feeder school to A.C. Flora High School.

At the time, W.J. Keenan was the most modern school building in South Carolina. It consisted of the office area, health room and the mechanical drawing room. It has the distinction of being the first air-conditioned school in South Carolina! In 1969, the gymnasium, shop, and 300 building classrooms were added. Also, this was the last year Keenan was to remain a junior high school. The 1970-71 school year saw Keenan become the area's ninth high school and the first completely integrated school. Keenan High received students from A.C. Flora and C.A. Johnson High Schools through the enactment of the new zoning boundaries brought about by the desegregation of Richland County School District One.

Keenan was built to educate about 900 pupils, but it opened as a high school in 1970 with grades nine, ten, and eleven, comprising a student body of 1200 students! Every teacher was overloaded, and space became a real problem. Ten portable classrooms were brought in, and classes were held in the gym until spare rooms could be found. A comprehensive high school was established in the fall of 1971 with grades of nine, ten, eleven, and twelve. Keenan ended this first year with an enrollment of approximately 1450 students.

Other additions were completed in the spring of 1973. Added were the athletic complex, band department, teacher's cafeteria and lounge, 500 building classrooms and media center, business education and graphic-communications wing. The old library became what is now the main office and guidance complex with the student affairs moving into the old office area.

Since Keenan was now a high school, a new mascot was chosen — "Raider." Blue and Gold were selected as the school's colors.

Improvements of Physical facilities continued. A new, fully lighted student parking lot, bus parking lot, three athletic fields, baseball diamond, three tennis courts, and outside basketball courts were completed in 1973.

W.J. Keenan received membership in the Southern Association of Schools and Colleges and was re-evaluated by this association in the spring of 1978, again receiving full privileges and scholastic recognition. Keenan is also a member of the South Carolina High School League's AAA Athletic Conference.

YEARS OF SUCCESS!!

During the summer of 1976, extensive remodeling made important changes in the home economics, food careers, office occupations, distributive education, fashion merchandising, art, graphics, and industrial arts teaching areas. These changes greatly enhanced the instructional processes within these classrooms; both students and teachers benefited from better utilization of space and facilities.

Renovations on four science lecture and lab areas and two social studies classrooms began during the 1982-83 school year and were completed at a cost of over \$300,000. Construction on the new 500 seat theatre began in June, 1982, and was ready for student, community, and district use in November, 1983. Keenan is proud of its new theatre and looks forward to the many educational and cultural events it will help bring to our community. The Board of Commissioners and Superintendent, Dr. Gordon McAndrew, are to be thanked for the guidance and assistance they gave to making the Keenan Theatre a reality.

William J. Keenan, for whom the school is named, served on the Columbia Public School Board from 1934 until 1959. A native of Columbia, Mr. Keenan was Chairman of the Board of Keenan Oil Company. His portrait hangs in the Theatre forever.

Keenan is a thriving school with a comprehensive curriculum and an expected enrollment for 1988-89 of approximately 1400 students. It has come a long way in 27 years from the little patch of forest off Pine Belt Road! Keenan has grown and changed as its needs have grown and changed.

ALMA MATER

*Keenan High, we do adore thee,
Ever would we praise thy name.
Fill our lives with zeal and courage
As we live from day to day.
Guardian of our halls of learning,
Blessed mother of the free,
Teach us how to love each other
As we seek and learn to be.*

*Hail to thee, dear Alma Mater,
Guardian of the right we adore,
Love and truth and sacred honor,
Lead our paths from shore to shore.
Hail to thee, our own dear Keenan,
May your praises wave on high.
We'll come back to you, dear Keenan,
From thy walls we will ne'er depart.*

Tune: "Hyfrodol"

Words: Gloria Westmoreland and Pearl McCleese

School Colors: Blue and Gold

Mascot: "Raider"

People

Student's (People)

As the school year progresses, each person has his own talents that make him or her different, but the most important element of Keenan High is the people who make up the student body. All these unique people came together to form one student body that would make Keenan High stand out above the rest.

The crowded hallways, the cheering audience, and the attentive classes are filled with people who make the heart of Keenan — THE STUDENTS! With the cooperation of students and teachers, Keenan High took a gigantic leap in making important marks during the school year, and took pride in proving to everyone — WE'RE BAD!

Is this the CCI Chorale Ensemble?

WHAT'S IT LIKE TO BE A SENIOR!

What does being a senior really mean? To some it means more responsibility, privileges, and prestige over underclassmen. And to others it means only one more year of homework, classes, and receiving diplomas. But to all it means setting higher goals, applying to colleges, and the feeling of becoming an adult. We interviewed some seniors and here are a few responses:

"Being a senior to me means the fulfillment of my goals that are important to me. It means maturity in a sense, because I've lost most of the childishness I had in my younger years. It also means growth. Being a senior is something to be proud of; it is a goal worth fulfilling."

— NICOLE SMITH

"To be called a senior makes one feel more mature. As a senior you must accept the responsibilities given to you. You should help others. I personally like being looked up to. It may be hard to be a role model but, I'll overcome."

Overall it is a fulfilling experience to remember for all times.

— DEXTER MARCUS
PRIMUS

"Being a senior is more than just being called a senior. Being a senior is a very meaningful experience. You must act like a senior; have pride and self-esteem. Along with being a senior comes responsibility. You must learn how to accept those responsibilities and go on with your life."

— SHANAI CHRISTOPHER

"It means that I only have 138 more days left in high school. But seriously, it means that I have prestige and priority over the underclassmen. Now, I am beginning to really look forward to college life! Although, the work is harder in the 12th grade, I'm just loving every minute of it!!!!!!!"

*"in memory of those happy days
we have spent at keenan high school"*

*we entered keenan high school as freshmen
anticipating, not only a higher level of education
but also, the opportunity of developing our talents
and expressing ourselves as individuals*

*we developed our own personalities, inside and outside of keenan
from the examples set for us by the upperclassmen,
we guided our actions to consider our own individuality
as the class of 1988*

*only three short years ago, those new horizons which
seemed so far, were beginning to launch into reality*

*now as seniors, we dream of those realities about to happen;
we dream of springing ahead, winning goals, creating
families and building more dreams*

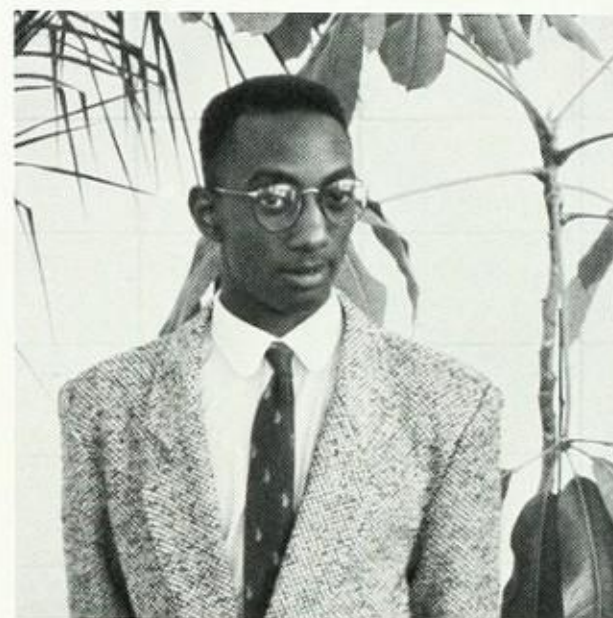

*our final year at keenan high school, we reminisce over
the changes that have taken place
we are proud and happy over the realization of how far
we have come since that lonely first day we entered as freshmen*

*as we stand now, before the threshold, we the class of
1988 bid our final farewell
as we stand on the threshold, we express our joy and gratification
and as we enter the threshold of life, we leave behind:
our spirit, our love, our dedication and thanks to*

TEACHER OF THE YEAR

Mrs. Lurena Cochran is W.J. Keenan's proud 1987-88 Teacher of the Year. She is dedicated and likes to help students learn and grow. Mrs. Cochran is teacher of Marketing Education, Fashion Merchandising, Business Law, and Introduction to Business. She also has taught Typing and Accounting in the past. Mrs. Cochran has been the sponsor of the DECA Club since her arrival at Keenan. Mrs. Cochran's students gain a lot of knowledge through her class lectures and prearranged activities. She takes the time to make sure each student fully understands the lessons in her classes.

Mrs. Cochran said, "I was surprised and very honored when I found out I would represent my co-workers. This award is once-in-a-lifetime. I feel it is a great responsibility and I must be aware of all that I do each day." She also went on to say that she enjoys working with young people and likes to see them mature into productive citizens.

Mrs. Cochran enjoys reading books, working in her garden, playing cards, and performing church and civic work. She is the President of the Altrusa Club, Secretary of the Church Member Trustee Board, and is presently part of the Urban League Gill, a Support group of the Urban League. She also is a member of the Fidelity Club and her church choir.

Mrs. Cochran is a person who loves to see young people grow and gain knowledge. She takes much enjoyment in working with people. She strongly believes in the Golden Rule: "Do unto others as you would have them do unto you." Mrs. Cochran has been at Keenan for many years and has been an inspiration to many of her past students.

Student Life

Keenan High has always been known for its spirit and participation in its school related activities. This is especially true in all of the clubs, sports, and academics. Some students found themselves staying after school for many hours working on projects, school-work, practices, games, and other activities.

Also, most of the clubs sponsored some sort of sale or shows. These sales ranged from doughnuts to M and M's to talent shows.

Sporting events were one of the biggest ways students showed their spirit besides pep rallies. Students from all grades came to the football games and other sports events to support the Raiders.

At the Homecoming game, a couple of guys take their time to show their Raider spirit.

In the Class Pageant, Andress Carter models in front of the microphones.

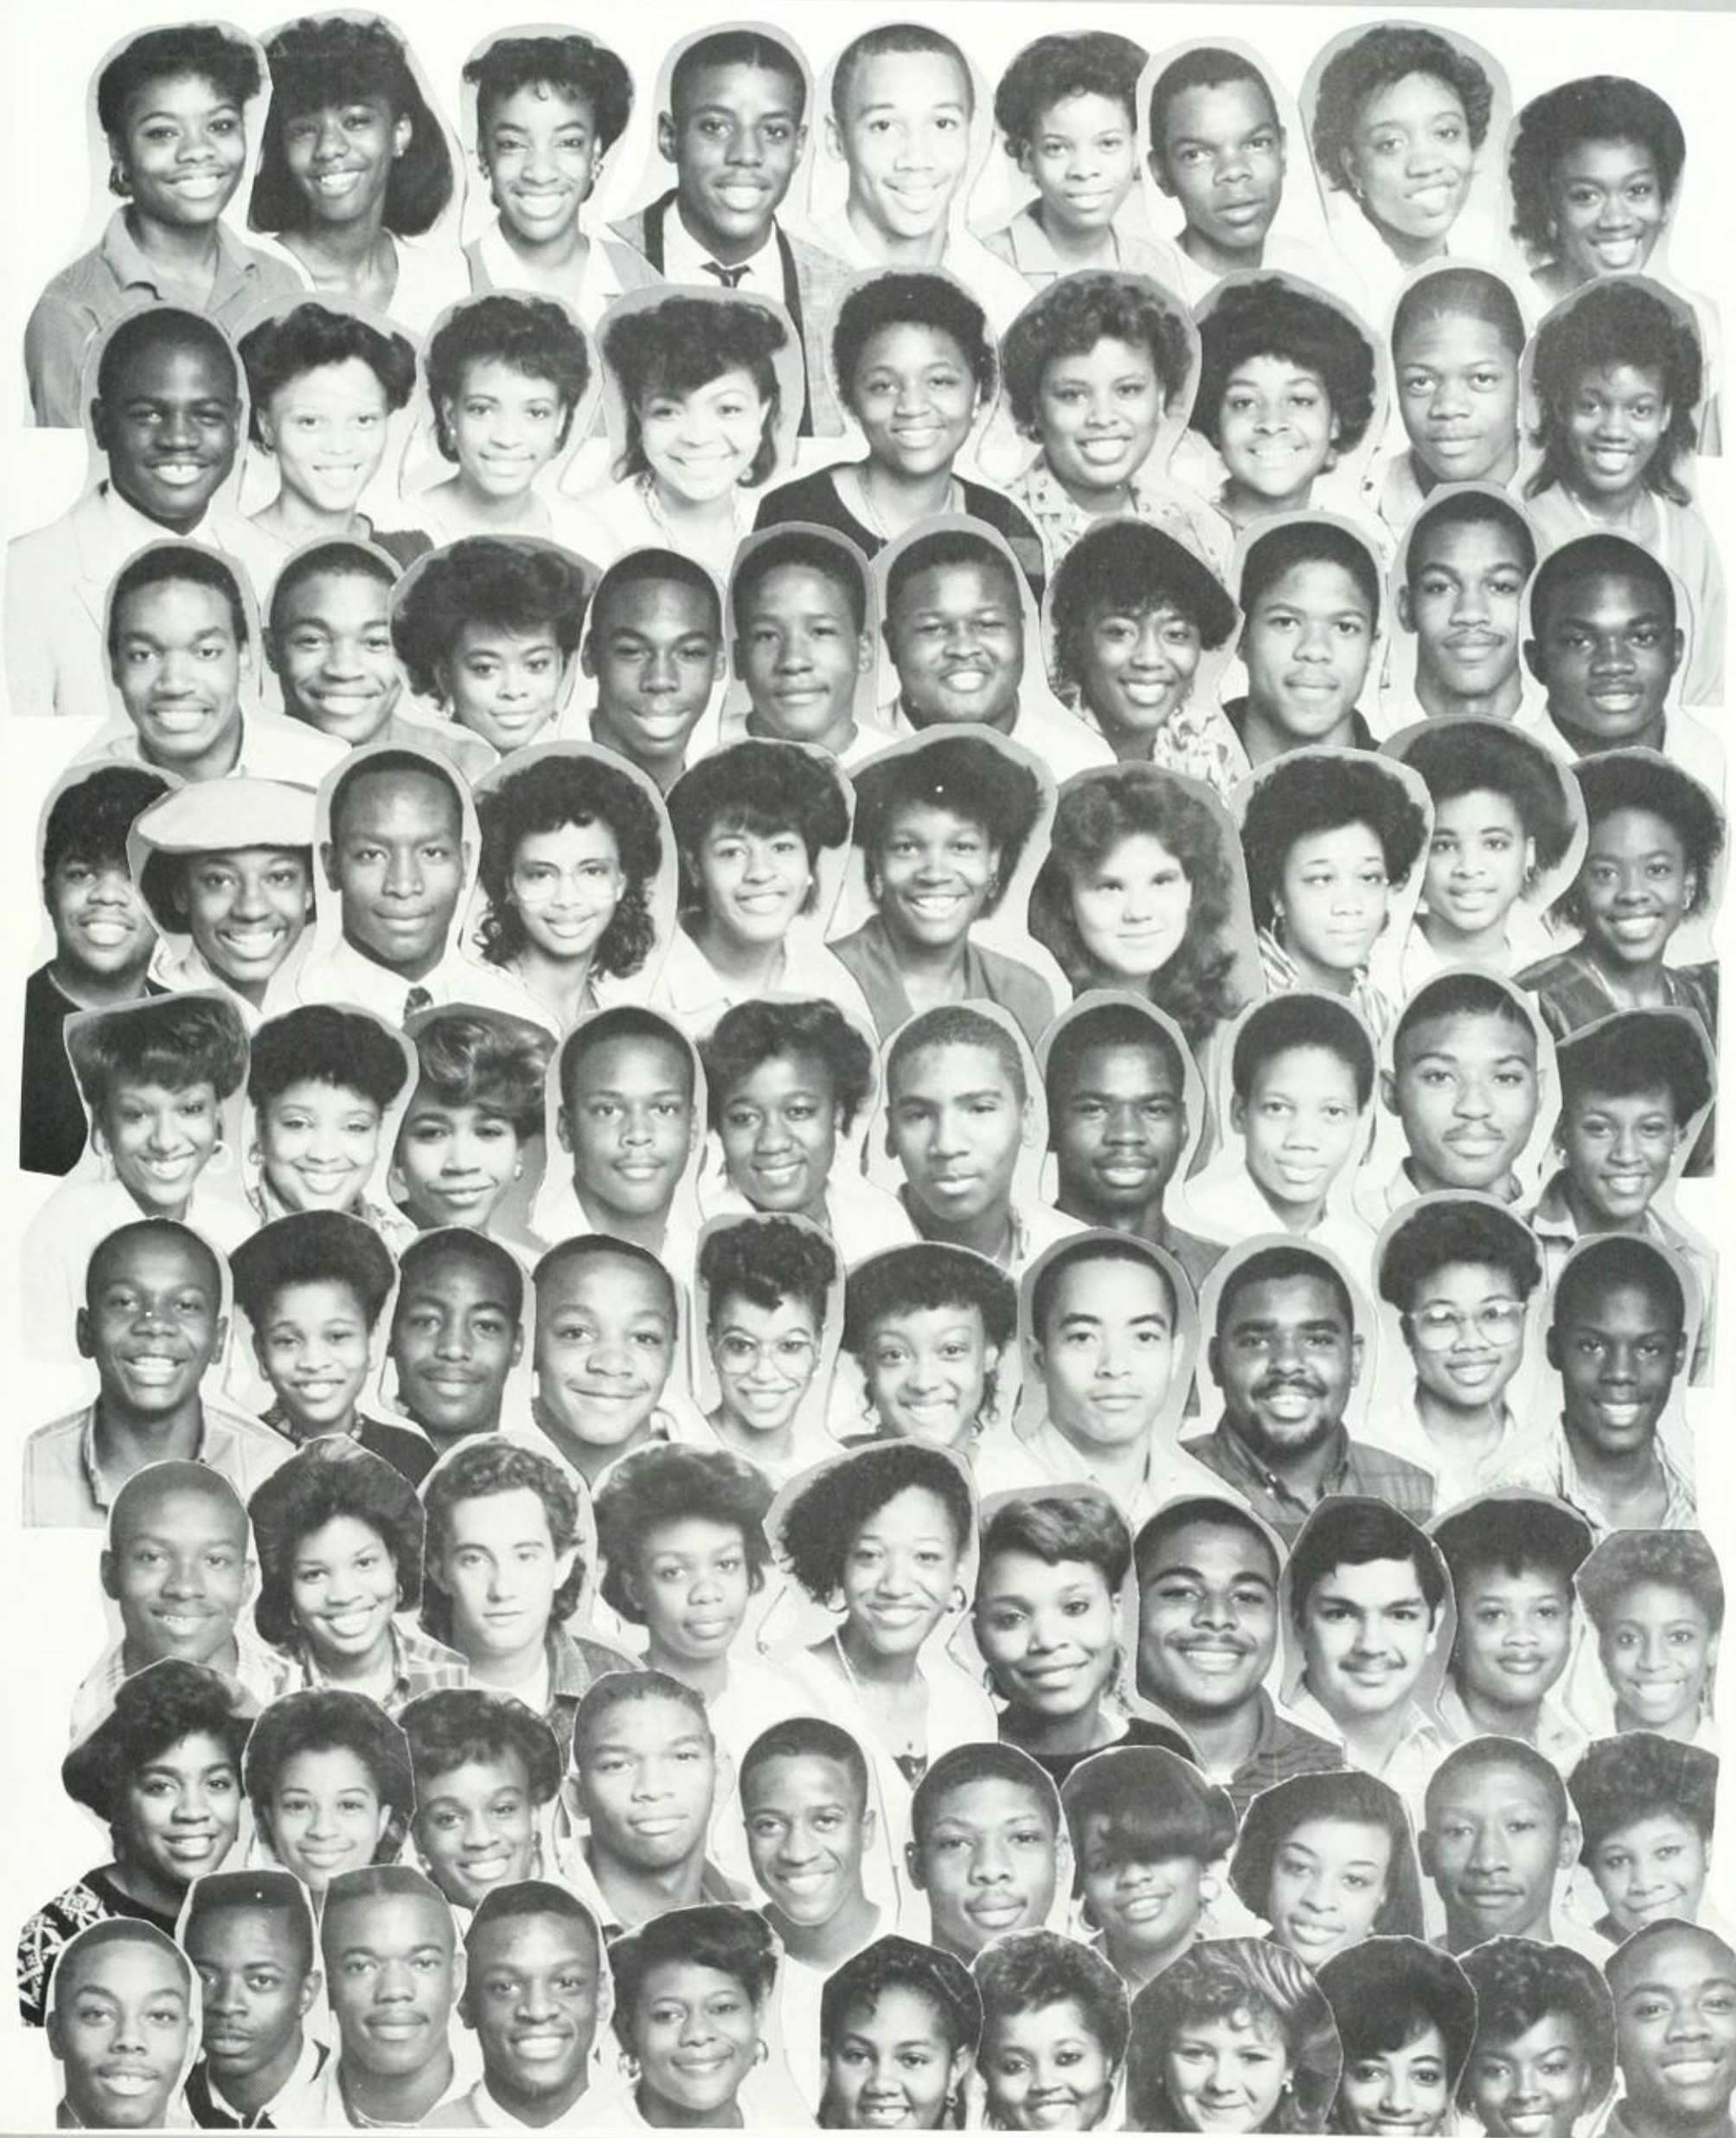

Dee Jones and her friends head for the cafeteria to present their food basket.

HOMECOMING '87 HOMECOMING

On the cold evening of October 16th, the raider football team hosted Aiken for the 1987 Homecoming. As the senior contestants were announced, the audience was captivated by each young lady. Everyone realized that all the girls were winners, but only one would become Miss Homecoming of 1987-88. A moment of silence arose as the tension grew. Finally the moment everyone had been awaiting — Yvette Alexander was named first runner-up and Sharone Solone was crowned Miss Homecoming Queen.

Homecoming 1987 turned out to be a special night for the attendants, and will always remain a memorable event.

All that dazzles and shines isn't gold . . . in the case of the Mr. and Miss Keenan pageant, the dazzles and shines were gowns and tuxs.

Sponsored by the senior class, the learning situation will be one the contestants will never forget. The theme for the 1987-88 pageant was "We've Only Just Begun", and that emulates the goals of all the people involved. Miss Andress Carter and Mr. Anthony Kennedy were named first runner-up, and Miss Monique McDowell and Mr. Ron Westray were crowned Mr. and Miss Keenan 1987-88.

All involved were proud of the production. The contestants gained more self-confidence. The audience was entertained as beauty radiated Keenan.

SENIORS HALL OF FAME

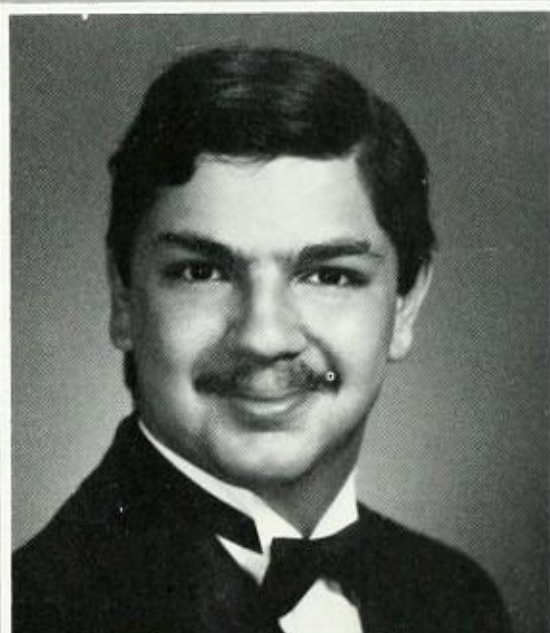

For the first time seniors were elected by their teachers into the Senior Hall of Fame. But what is the Senior Hall of Fame? The Senior Hall of Fame is a chance for teachers to honor students who they feel have strongly supported

the spirit of Keenan. The criteria ranged anywhere from being a consistent student to having an optimistic attitude. The list continues with the maturity of the student, the sense of responsibility of the student and the school spirit of

the student. The class of 1988 is proud to present the following students as the first inductees into the Senior Hall of Fame.

Being selected to Keenan's Senior Hall of Fame is a great honor. It feels good to know that teachers see me as an excellent student and as someone worthy of being named to the Senior Hall of Fame. — Sheryl McClerklin

I would like to thank all the teachers and coaches for all their support they gave me this year with helping me cope with the pass of my mother. I couldn't have gotten this far without you. — Hal Volin

I accept this award and thank those who made it possible. By receiving this award, I have proven to myself and to my school that I have the qualities of a leader. It is truly an honor to be inducted into the newly established Senior Hall of Fame here at W.J. Keenan High School. I again thank you. — Deborah Bibbs

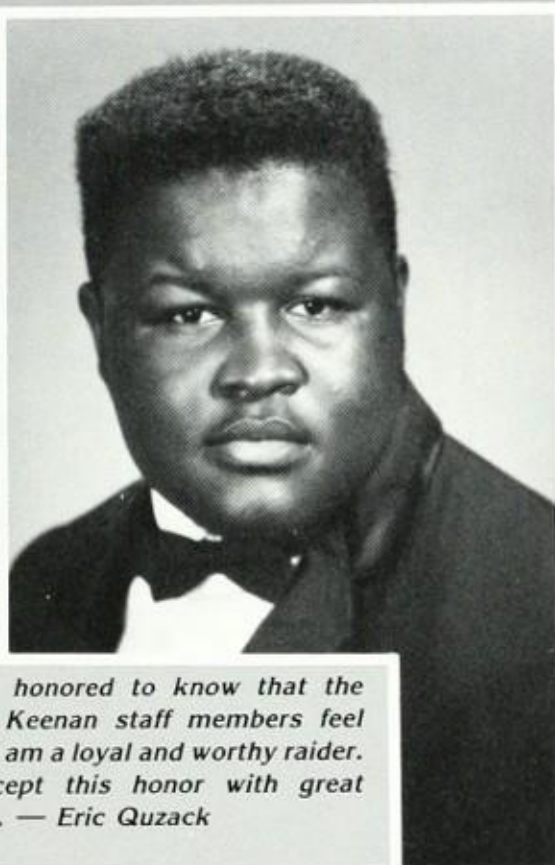

I am very pleased and honored to be a recipient of this award because it shows that throughout my high school years my diligent work and effort has paid off. Thanks to my parents for their support and my teachers for their encouragement and enthusiasm. I have been able to encounter many victories while attending W.J. Keenan. — Monique McDowell

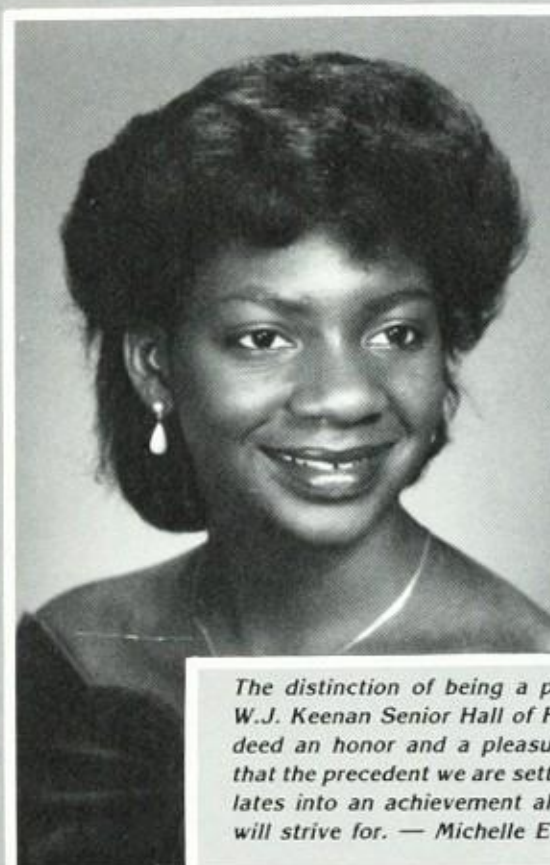

Thank you for this prestigious award. I'm thrilled to be one of the first and few inducted into the Senior Hall of Fame. This is an unforgettable moment and one that I will keep close to my heart. — Karen Jones

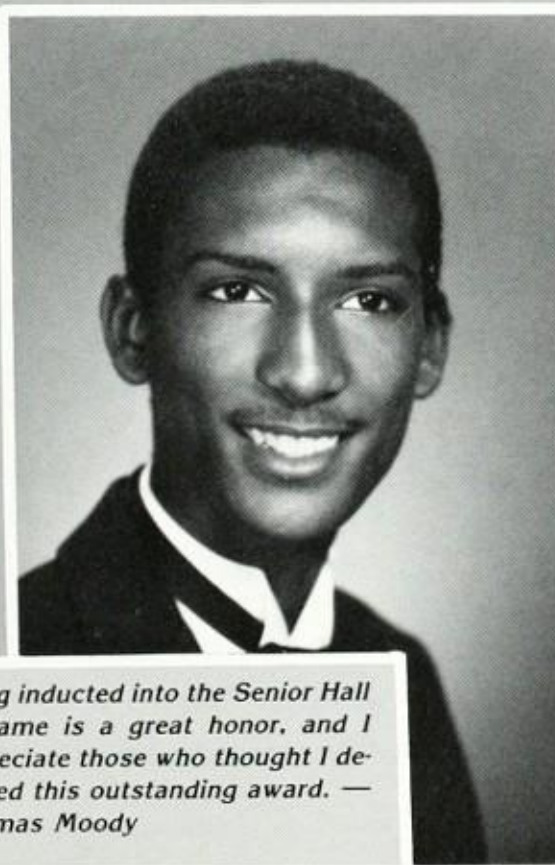

I would first like to thank the person who nominated me because he/she felt I was worthy of the honor as a member of the Senior Hall of Fame. Then I would like to thank my parents for giving me the love, attention and guidance that helped me to develop a positive attitude. — Aquinetta Brown

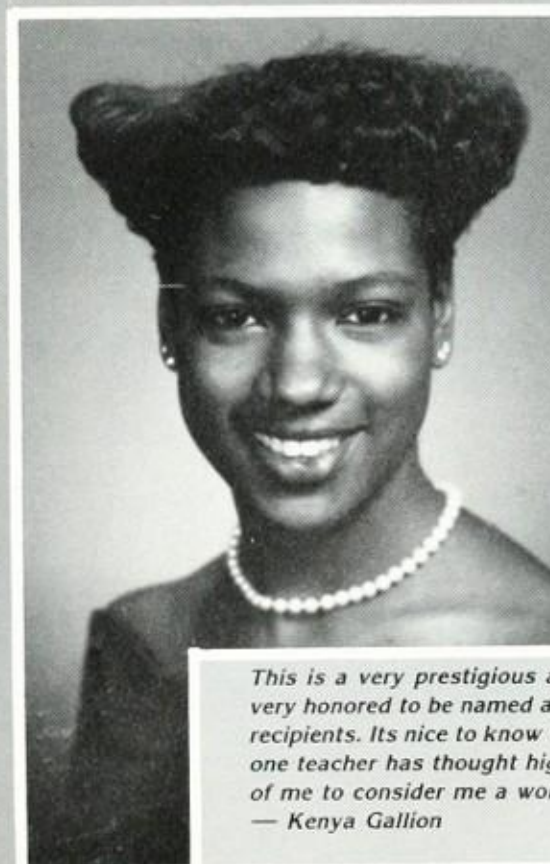

I am honored to know that the W.J. Keenan staff members feel that I am a loyal and worthy raider. I accept this honor with great pride. — Eric Quzack

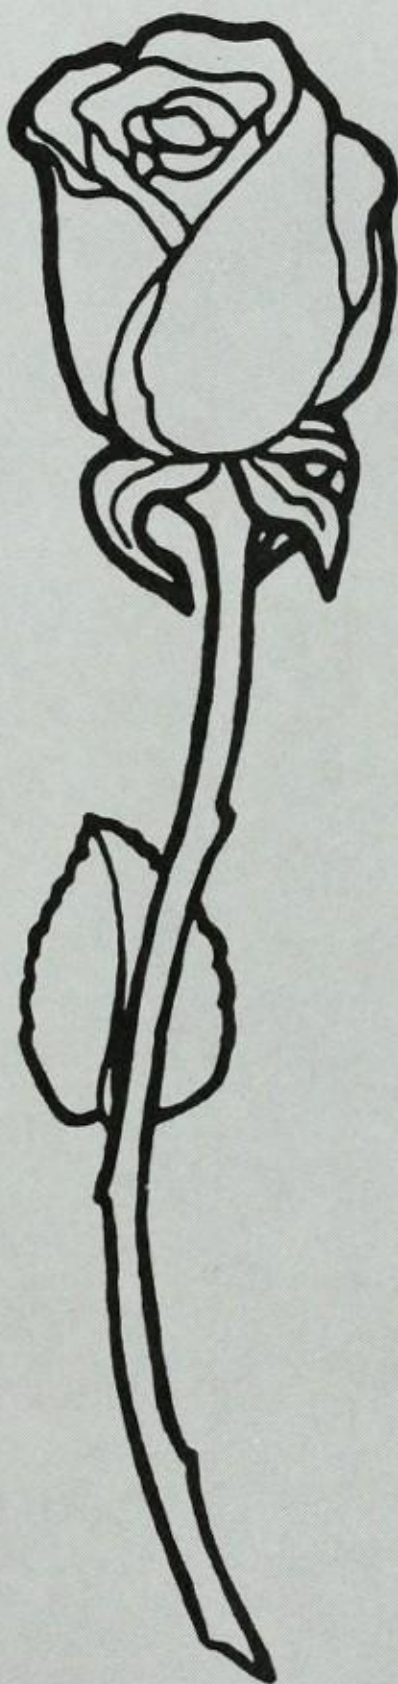

The distinction of being a part of the W.J. Keenan Senior Hall of Fame is indeed an honor and a pleasure. I hope that the precedent we are setting formulates into an achievement all students will strive for. — Michelle Evans

Being inducted into the Senior Hall of Fame is a great honor, and I appreciate those who thought I deserved this outstanding award. — Thomas Moody

This is a very prestigious award. I am very honored to be named as one of the recipients. Its nice to know that at least one teacher has thought highly enough of me to consider me a worthy person. — Kenya Gallion

Organizations

Doing it together is the key word in an organization. Soap operas and homework were not the only two after-school options for students. Many clubs and members of clubs offered opportunities to expand their horizons not available in the classroom.

Some of these groups provided help to the community and the school. Others consisted of members with special interests.

Although they varied in size and in purpose, each club was similar in that the members, officers, and sponsors combined efforts to provide fun and productive activities. Through their activities and service, they further continued the tradition of excellence in our school.

Spread your spirit!!

Excuse me, are you there?

Can you pick out the possessed persons?

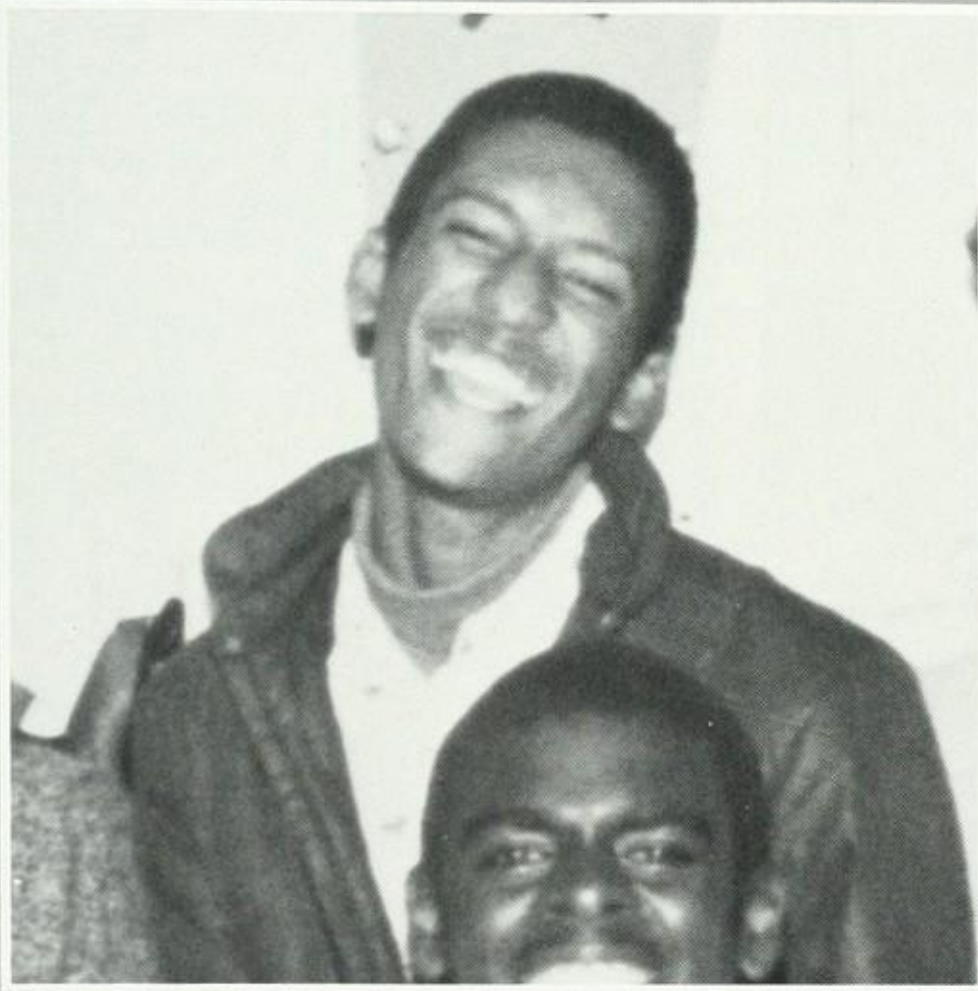

A DEDICATED STAFF . . .

Yearbook Club

The yearbook is considered one of the most important clubs of all. Its responsibility is to manufacture a yearbook by the end of the year. In order to do this, they have to meet deadlines and sell ads. The editors, Thomas Moody and Kenya Gallion, were able to complete the cover and the color pages by working with former advisor, Susan Bloodworth and 1987-88 advisor Juanita Wilson. They wouldn't have been able to complete these tasks without the help of all the members of each yearbook division. Through all the work, each staff member learned that the key ingredient to producing the Keenanscope was working together and getting along with one another.

The Newspaper Staff

The newspaper staff is dedicated to providing the students at W.J. Keenan High School with up-to-date news articles and keeping the students informed of previous and upcoming events. With hard work and dedication we will achieve our goals. One major goal is to publish approximately five editions of the Sword & Shield by May 1988.

THE FUTURE OF TOMORROW

Interact Club

The Interact Club is an International action service club sponsored by the Forest Acres Rotary Club. The main goal and purpose of the club is to promote services through projects that will benefit the school and the community. The members have been active by helping with Ed Op, Career, and teacher appreciation day. Through their achievements they have received awards over the years for help in the community and school.

The John M. Cooley Chapter of The National Honor Society

The National Honor Society was established in 1921 to create an organization that would recognize and foster academic achievement while developing other characteristics essential to citizens in a democracy. Scholarships, character, service, and leadership are ideals that remain relevant.

The National Honor Society serves as an excellent training ground for the youth who will be the leaders of tomorrow. Serving on another and the community is equally important. This aspect of citizenship is expressed in the motto of the National Honor Society, *Noblesse Oblige*.

The idea that one has an obligation to use one's talents, skills, and knowledge for the betterment of others is the cornerstone of Society projects and activities.

Keenan's John M. Cooley Chapter of the National Honor Society engages in many activities which render services to others — collected money for the Muscular Dystrophy Association, wrapped Christmas gifts for the Ronald McDonald House, etc.

This year the Society hopes to assist the Greater Columbia Literacy Council, and to collect money for the Richland Memorial Hospital Cancer Center in the name of the late Mrs. Charlotte LeGrand, a former teacher at Keenan High School.

Block K

The Block K Club is a club that all athletes can participate in, if they have lettered in a varsity sport. In order to take part in this club, athletes must go through an initiation. If a participant completes the tasks then he or she is a Block K member. The 1987-88 Club Officers are:

President — Andress Carter

FRENCH CLUB

French Club

The purpose of Keenan's French Club is to enhance the practice of French and familiarize the members with the customs, civilization and culture of the Franco-phones; and to promote a greater feeling of internationalism and tolerance for other people whose language and culture are different to ours.

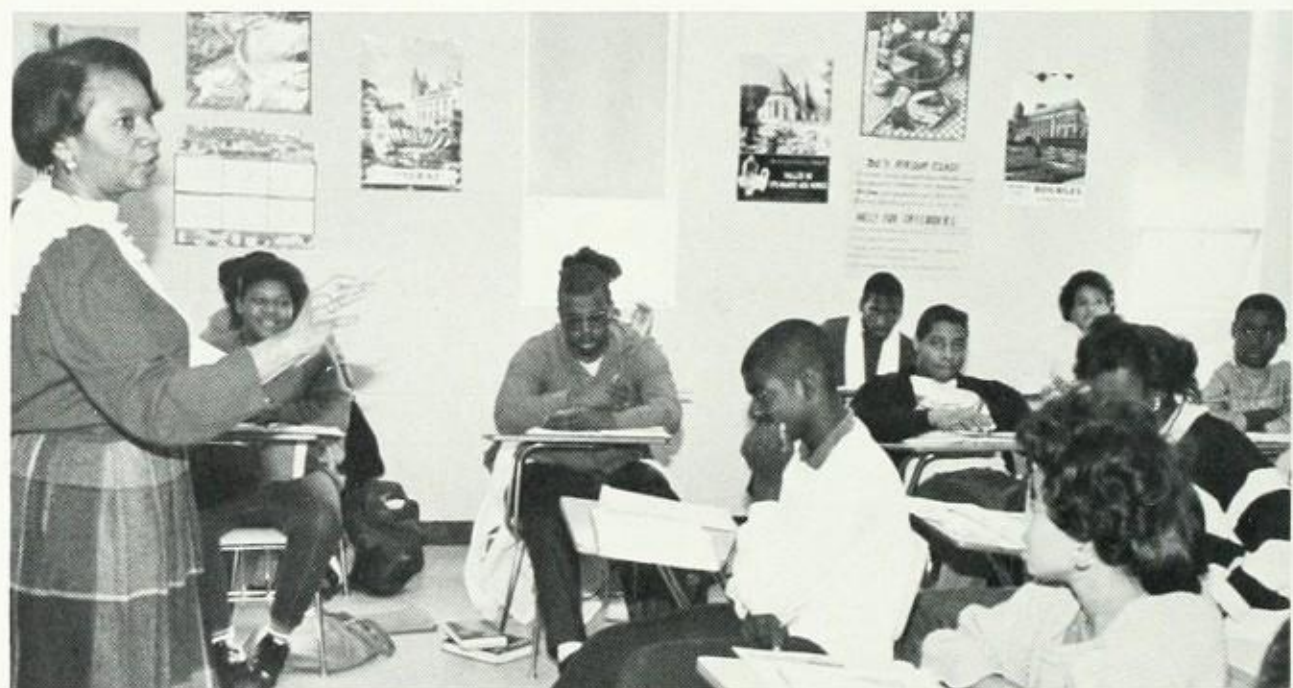

The club also seeks to help perpetuate the goals and philosophy of our school.

This year's club (Le Cercle Francais) consists of 60 interested members who are of French II or above caliber.

Other than observing special holiday celebrations, projects include creating and implementing authentic articles, the cuisine, and other French activities; presentations by French natives, travelogues, French plays, movies, field trips, etc.

PEOPLE HELPING PEOPLE

The media, office and guidance assistants play an important role in the administration of Keenan. The office assistants assist in clerical duties and student affairs. Guidance assistants help the counselors in their many tasks. The media assistants are "librarians in training". They learn how to card many literary items and give aid to the librarian. Each assistant learn skills that will be beneficial to them in the future.

LEADERS OF TOMORROW

Several clubs offered to prepare students for their future while enjoying themselves and participating in fun activities. This club is FBLA.

FBLA, Future Business Leaders of America, gave students an opportunity to learn about business practices, operations, and careers through programs and activities.

Students currently enrolled in business courses and interest in business relations are currently a member of FBLA. FBLA members went to the state convention to compete in all areas of the business field with other high schools around the state.

FBLA gives students a chance to learn responsibilities involved in the business world and you meet a lot of old and new friends.

HOT

Sports

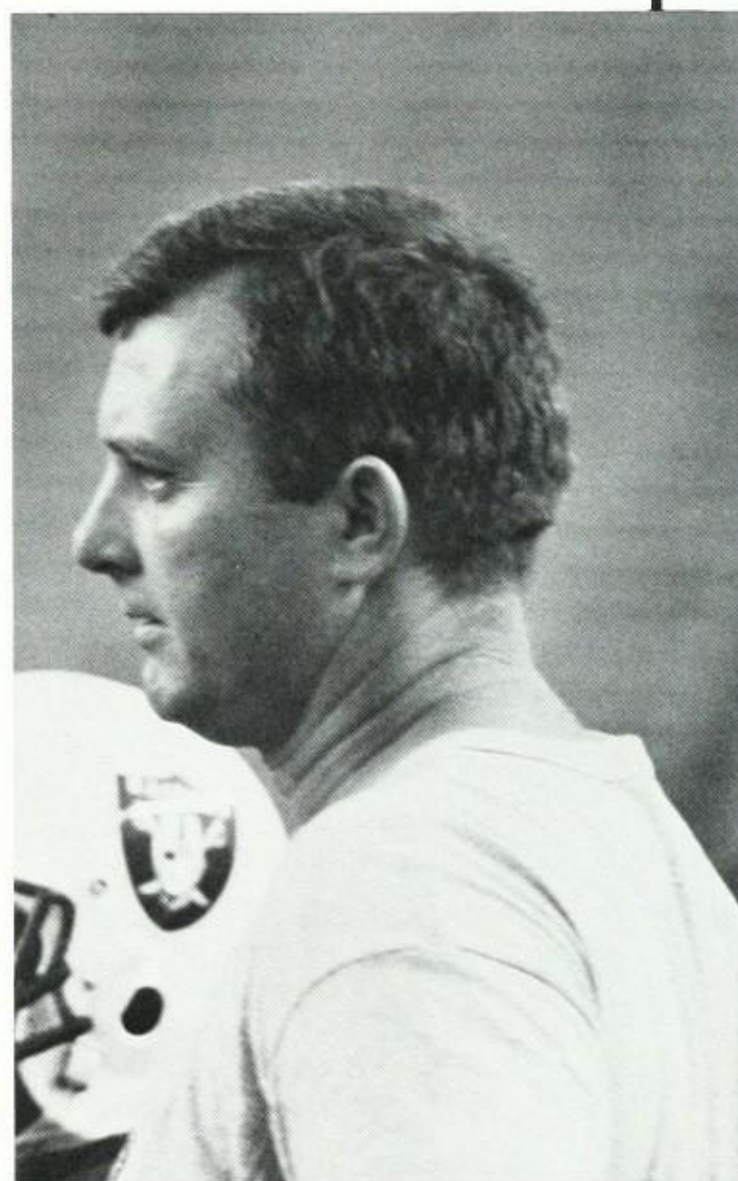

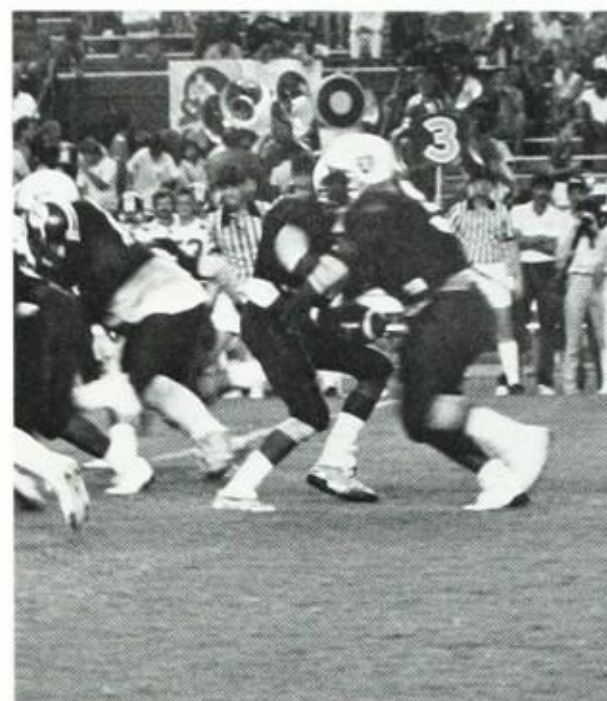

How else can Keenan's sports be described? The 1987-88 sports season brought out a little bit in everybody. To some it brought out agony and frustration. To others it brought out maturity and responsibility. To all it brought out pride in just being a RAIDER, whether we faced victory . . . or defeat.

To those who dedicated many hours of continuing the "RAIDER SPIRIT", we as RAIDERS will boast proudly of our victories, and share the pain of losing with you throughout our high school years.

What's up with the huggin???

As Coach Jacobs looks on a play, he was thinking what a wonderful year we had.

Ready or not here it comes. Oops, the wrong thing!!!

CHEERING ON TO VICTORY

As soon as school was out last spring, the girls began four and sometimes five hours each day working on competition cheers, mini-cheers, jumps, and voice projection all in preparation for the cheerleading camps. The hard work paid off as the squad received "The Most Spirited Award" at the Spirit Night competition held at Richland Mall.

Being a cheerleader means being at pep rallies, basketball games, football games, and cheering the student body to show their spirit.

Yeah! We want some spirit!

Tired and exhausted, Mrs. Risher is ready to go home.

Varsity Cheerleaders: Melissa Adkins, Tiffany Gilliam, Sharone Solone, Yvette Alexander, Karla McLawhorn, Erica Murles, Michelle Asmond, Barbara Brown, Celeste Hall, and Crystal Johnson.

J.V. Cheerleaders: Chris Wilson, Dee Jones, Presheas Bookman, Beanita Harris, and Monica Snipes.

B-Team Cheerleaders.

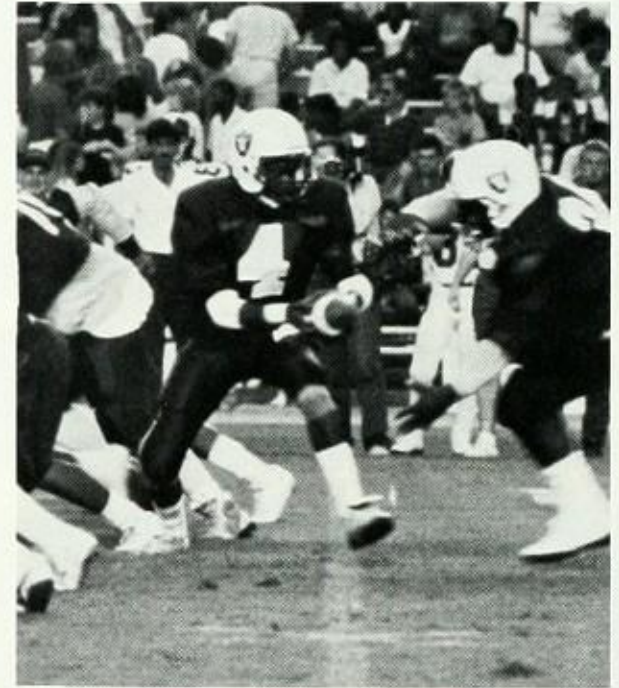

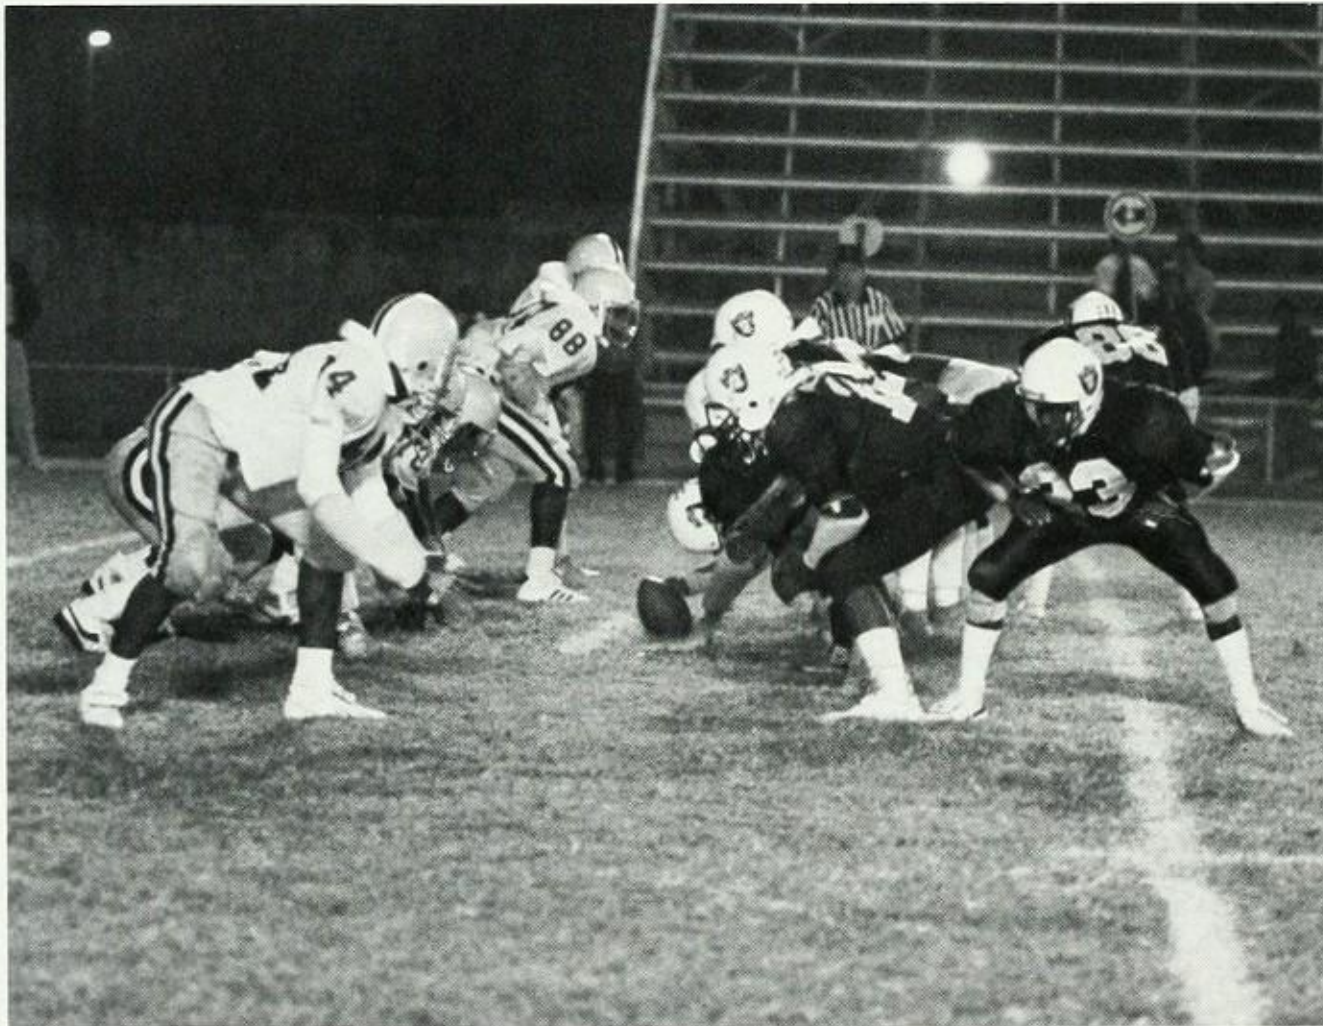

RUNNING AWAY WITH IT!

Everyone dreaded coming back to school this fall, but the football season seemed to make it all worthwhile. This year's football season was especially exciting.

The Raiders dominated almost every team they played. They stomped on arch rival C.A. Johnson and walked all over Strom Thurmond.

Although they suffered many injuries this season Keenan still prevailed. The Raiders proved that it doesn't take just a few awesome players to win a game, but it takes many good players who play well together.

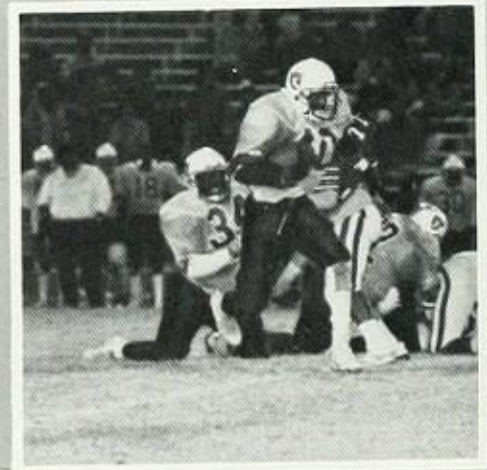

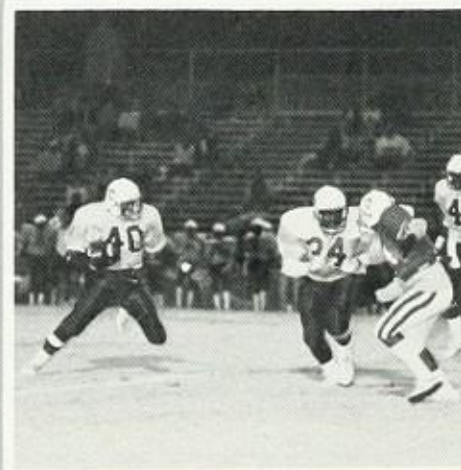

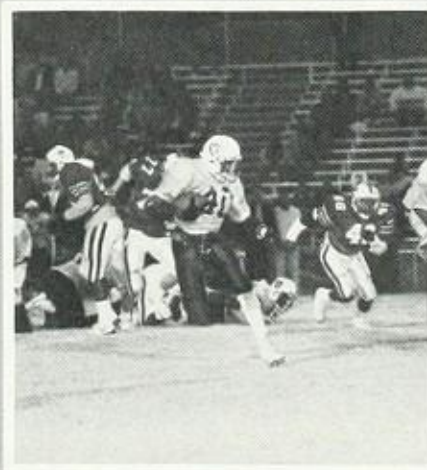

Getting to be as good as they are didn't come easy. It took a lot of time, hard work, and dedication on the players' part which included summer practices, after school functions, and exclusion from Homecoming activities such as the parade and half-time ceremonies.

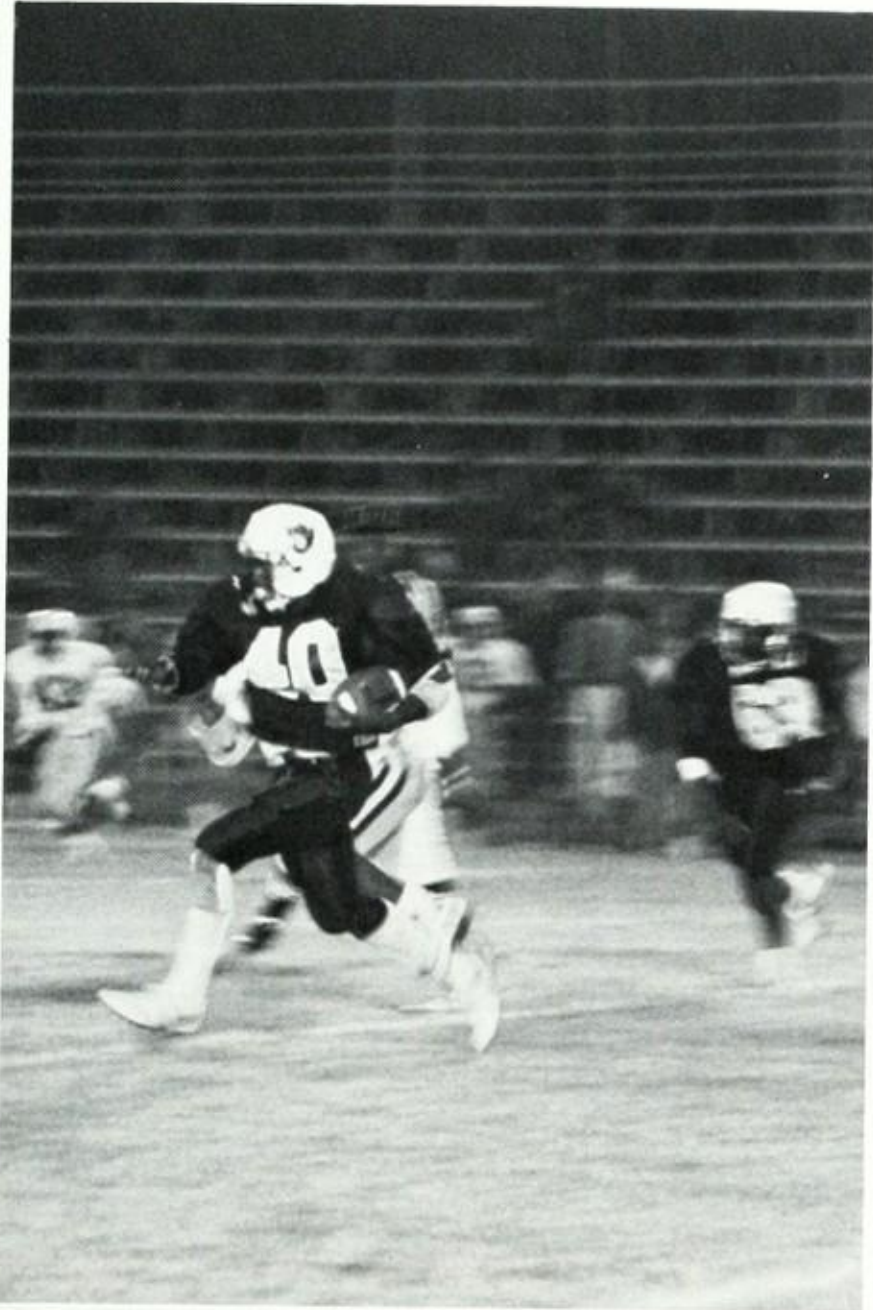

Setting up at the line, the Raiders get ready to gain more yardage against their opponents.

Handing off the ball, demands speed and accuracy.

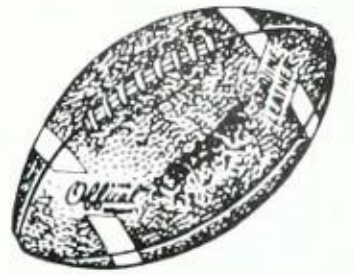

INSTANT REPLAY

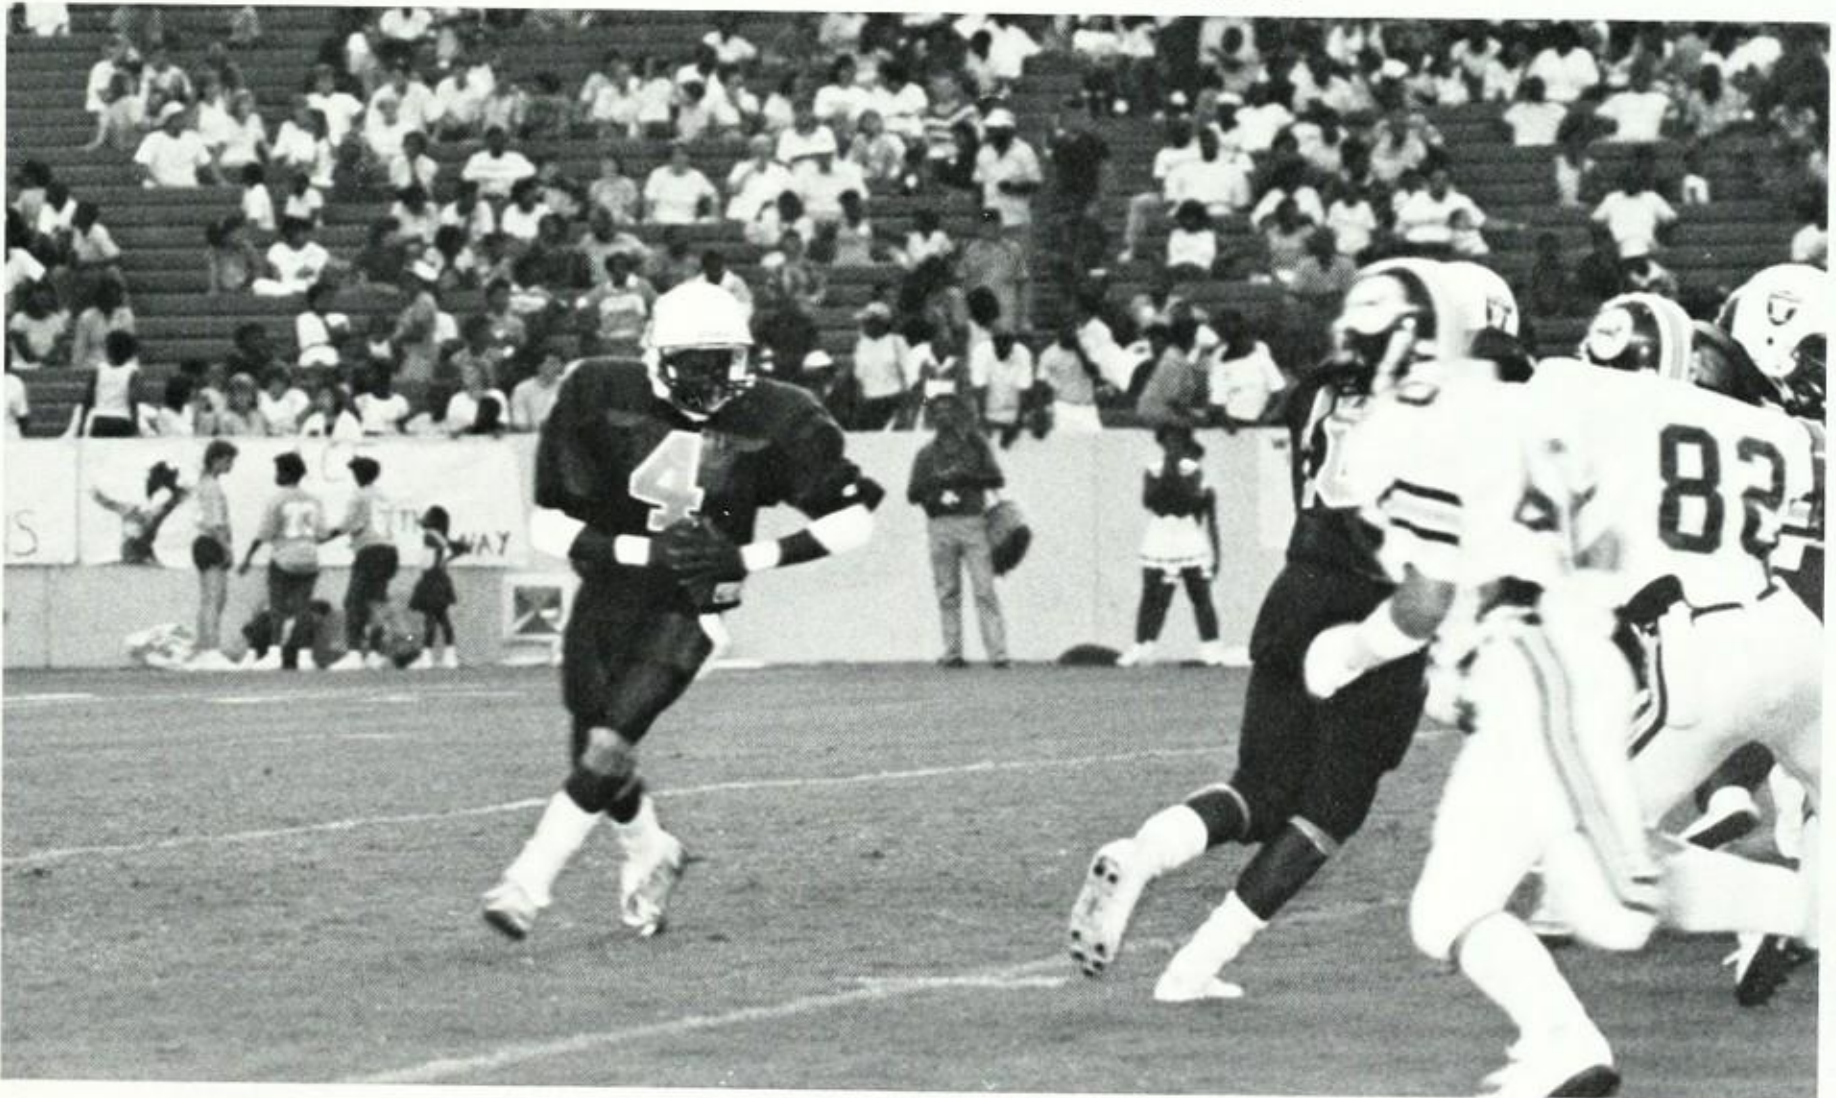

Making the fastbreak, the Raiders gain more yardage on the football field.

Passing the ball on the spot, the Raiders make a great play.

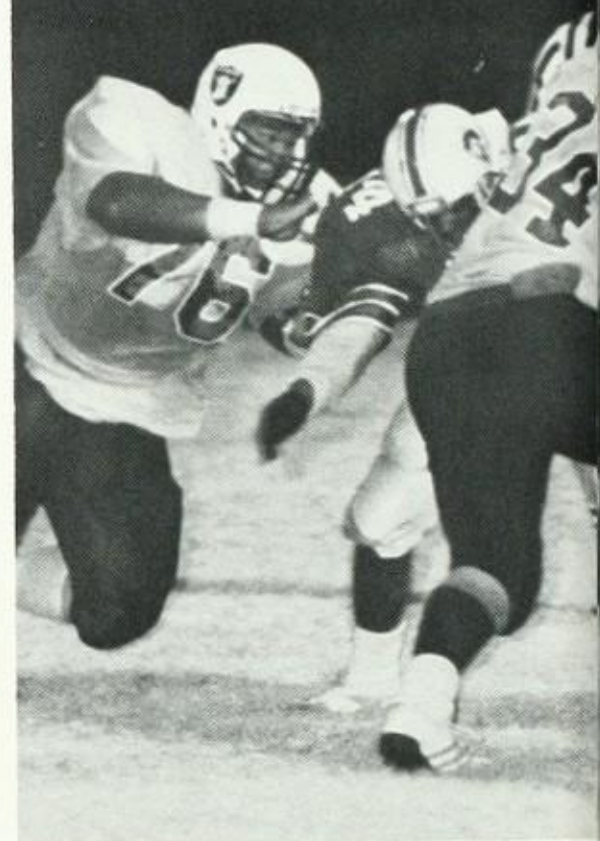

WHO IS THIS?

It's a bird, it's a plane, no it's Walter Payton!

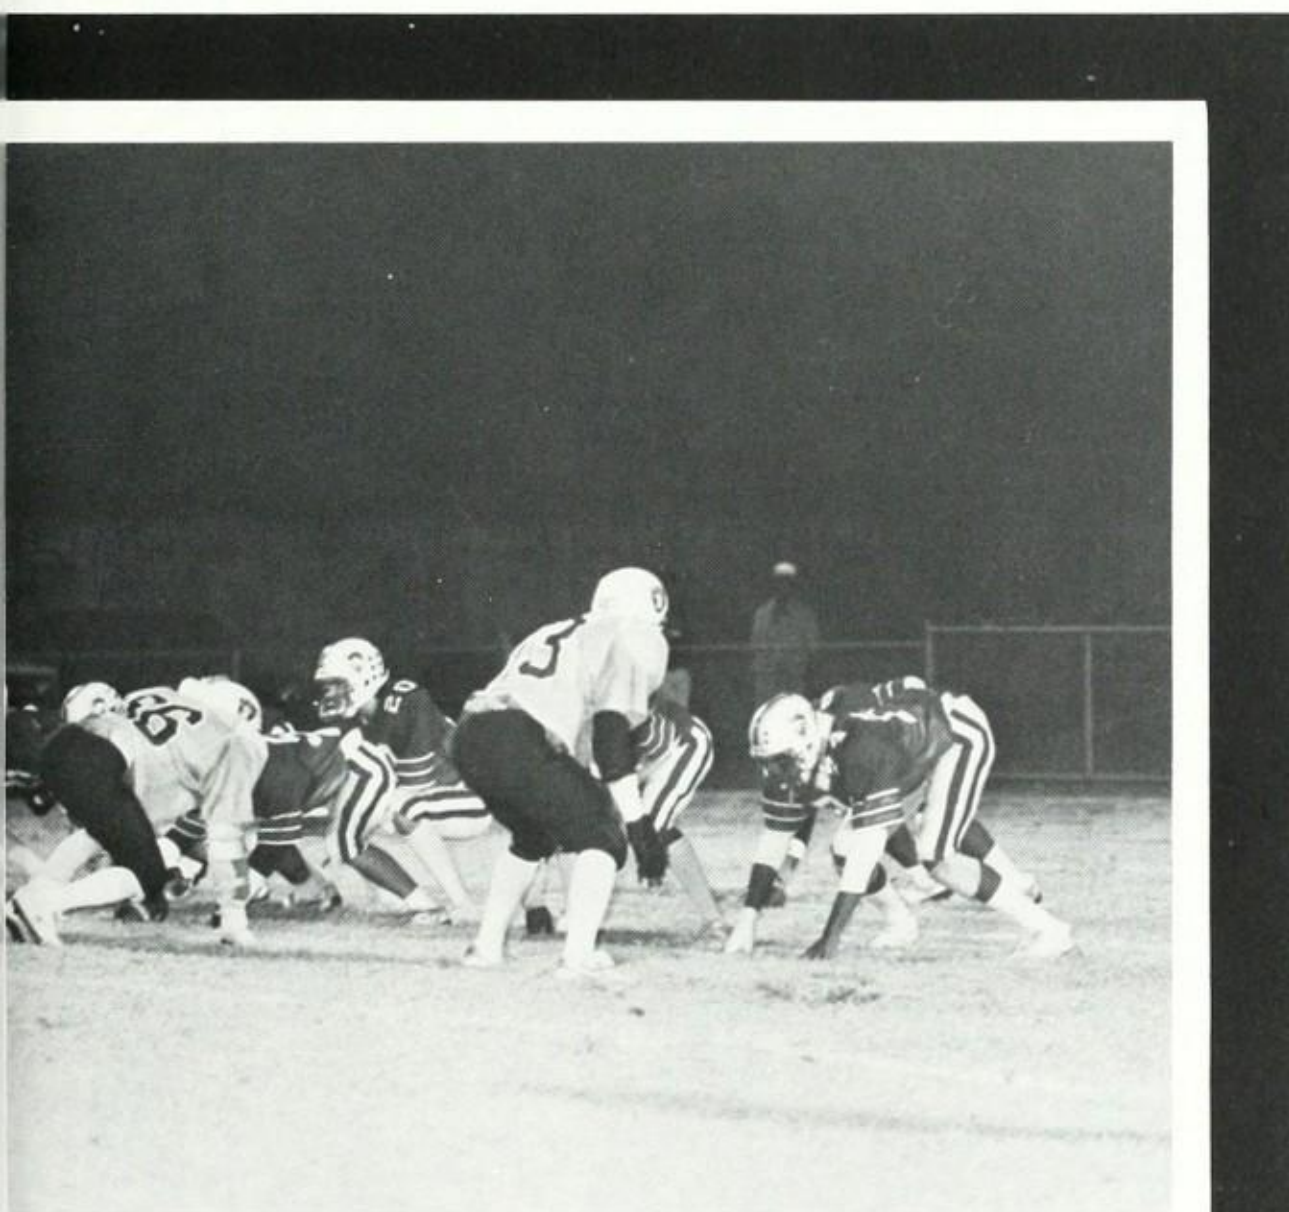

Nip it in the bud!

Big Bobby rumbles through the crowd making an enormous play.

Before the game, the players get acquainted with each other.

"THE RUNNING RAIDERS"

SHOOTING FOR SUCCESS

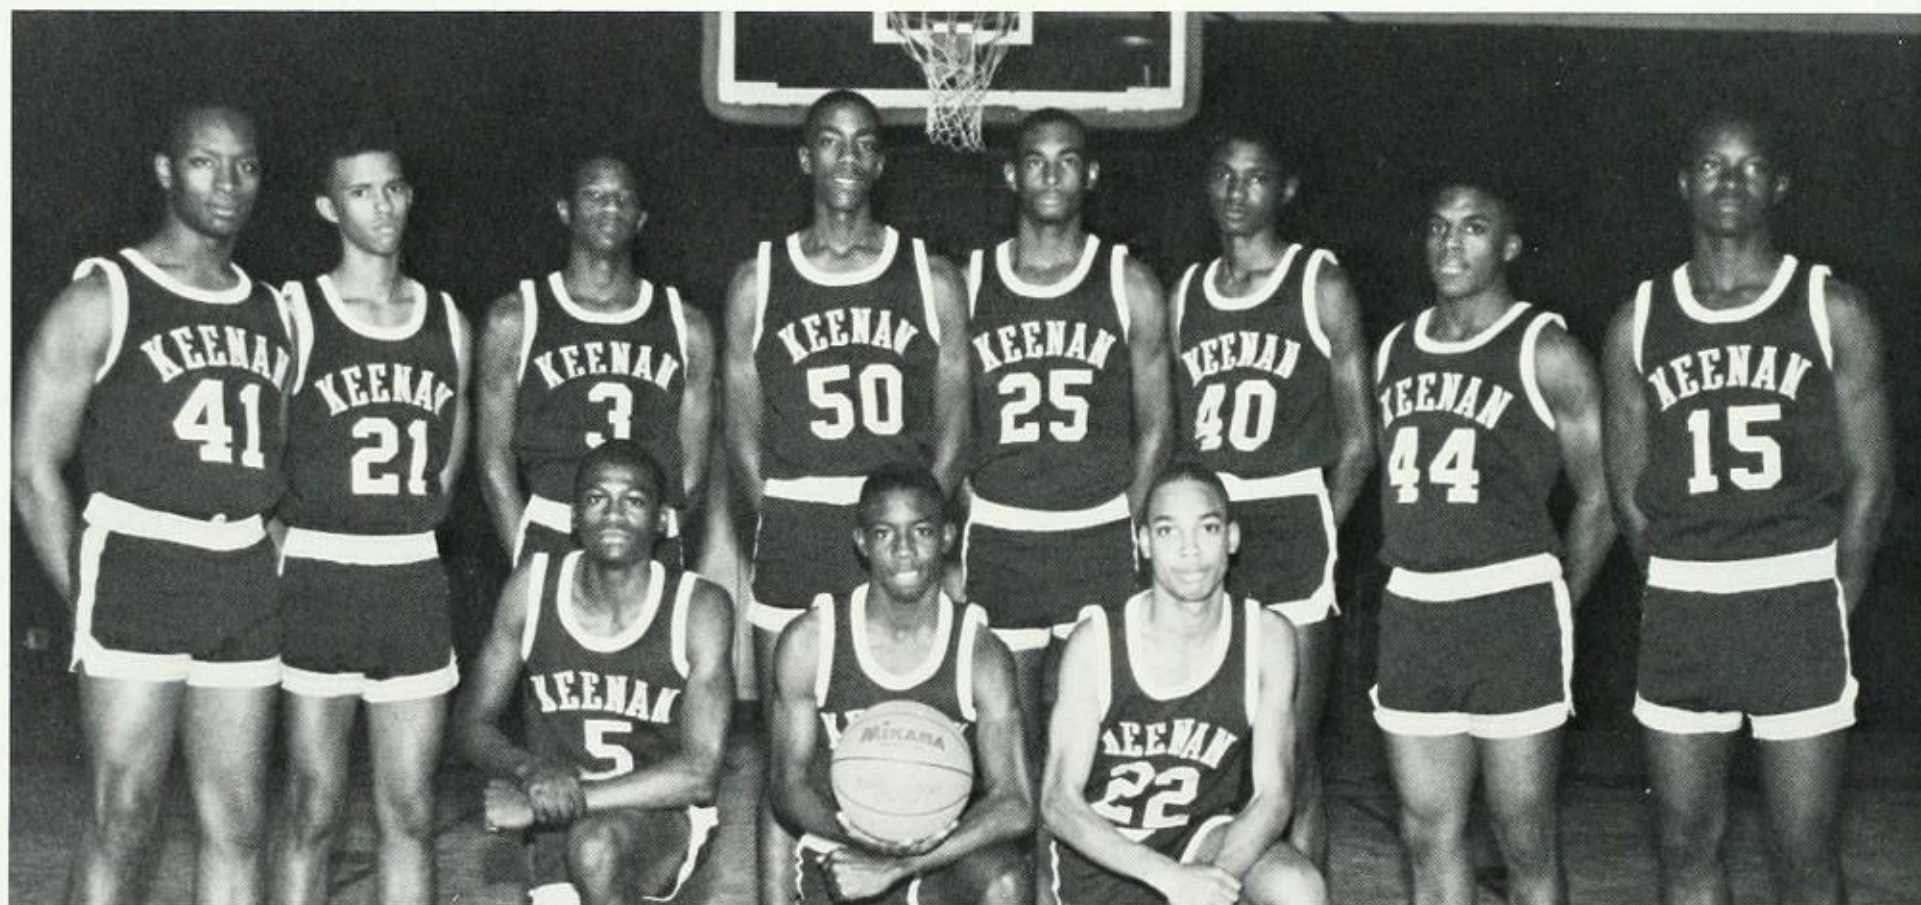

After losing five starters due to graduation, the Keenan High basketball team still managed to post a winning record. The young team proved, not only to themselves, but to the members of the Region 5-AAA Conference that they would be very difficult to defeat. The team proved that they were a

tough team to beat by defeating A.C. Flora and defeating C.A. Johnson, twice.

With only one senior starting, the talented team posted a mark better than last year's team. With Travis Garrett, Andre Bovain, and Bobby Davis returning, the Raiders have bright hope

for the future.

"It took hard work, determination, and excellent coaching by Coach Trapp to be as successful as we have been." Those were the words of returning guard Travis Garrett about the success the team has had.

"NO PAIN, NO GAIN!" — Robert Davis gets off a shot despite being fouled.

"LAYING DOWN THE LAW" — Raider coach Ben Trapp is giving instructions to his young, but talented team.

“RAIDERETTE FEVER”

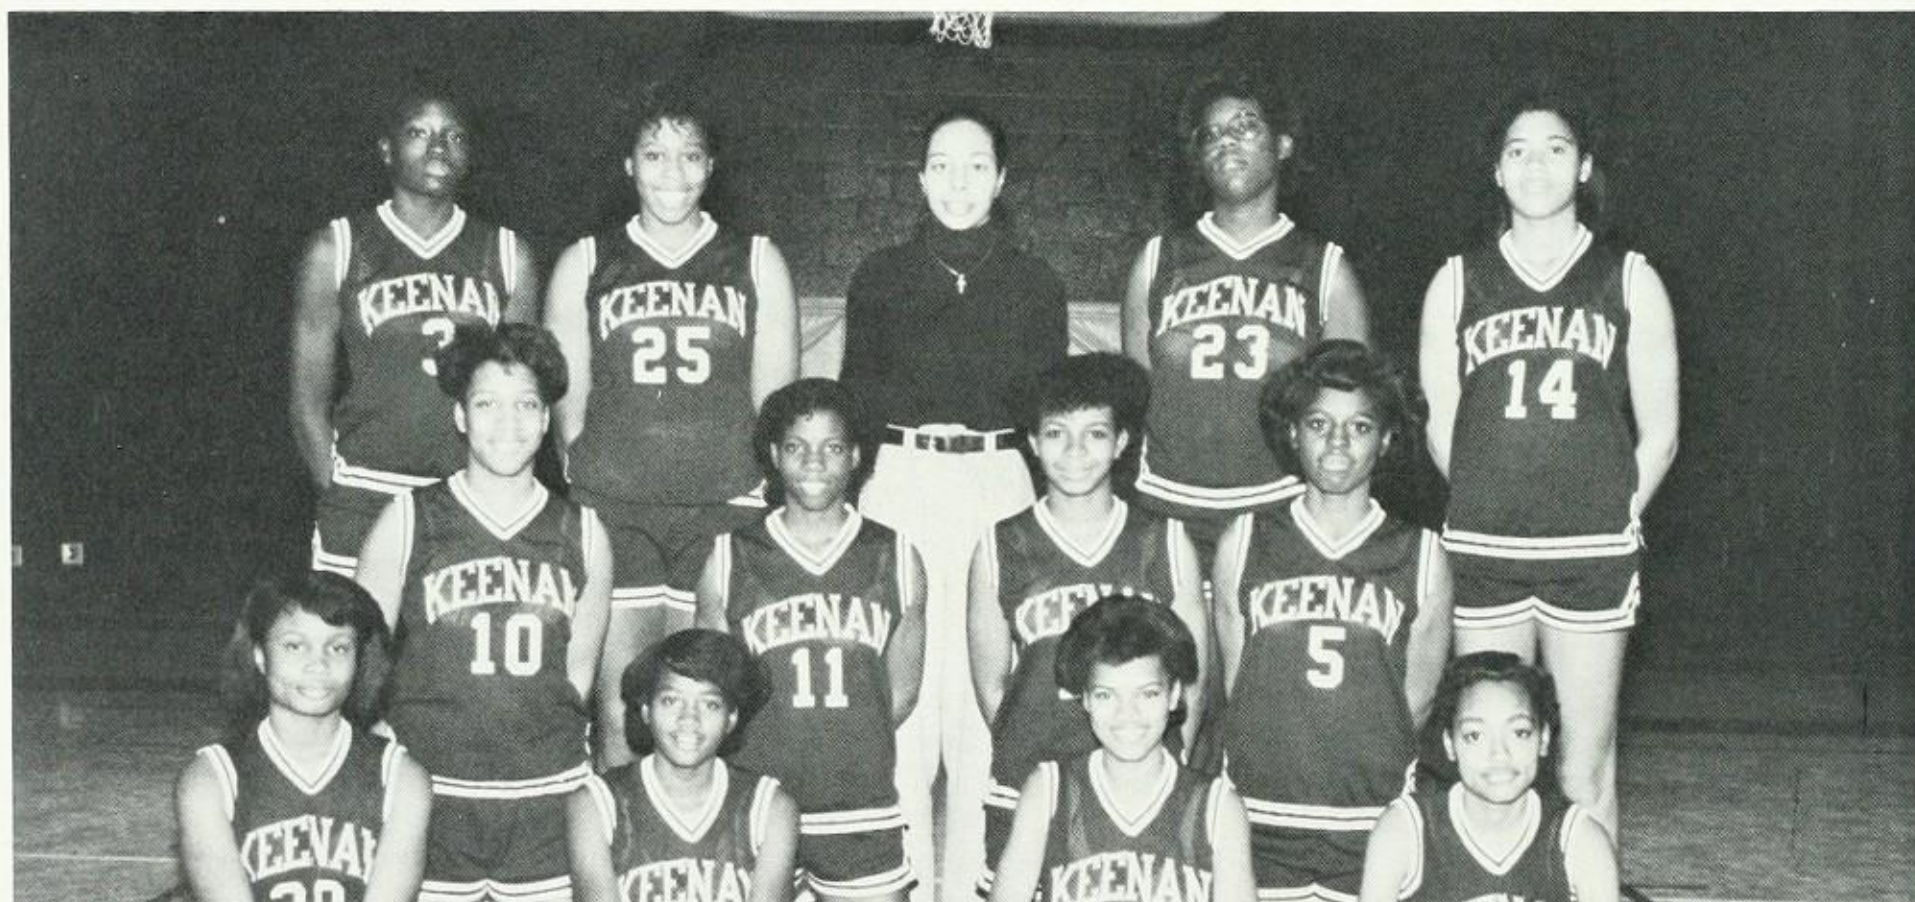

ON THE ROAD TO THE PLAYOFFS

The varsity girls are on their way to the playoffs. Their overall record is 11-3, 7-1 in conference play. The Raiderettes have worked hard for this chance and plan to take advantage of this opportunity. Under the direction of Coach Van McCloud, the girls always strive for excellence on the court. They exert so much team spirit on as well as off the court. It takes a lot of hard work to make the playoffs, but these girls are no strangers to hard work. To see them play is like watching a team with all the potential of being state champions, and they give their all in whatever they

do, whether its on or off the court.

Tennis Teams

Expectations are high and volleys are low as the Keenan Boy's Tennis Team surging into their 1987-88 season. Our returning seniors are highly regarded in the district. They include Gerald McNair, Rolondo Thompson and Antoine Mitchell. Other returning members include Harvey Wilson and Michael Bookman. Newcomers include juniors Byron James and Reggie Brown.

"I feel that tennis is a great sport that people of all ages and abilities can enjoy. It offers a highly competitive format but only requires one other person and a minimum of equipment. It is ideally suited to our climate since enjoyable outdoor days occur through the year in South Carolina. It is a sport that challenges ones athletic ability, but is not dominated by people of extraordinary physical gifts. Rather, the strategy of the game often enables the smarter, but less gifted player a chance for success. I love to play and coach it."

Coach Fuzzy Thompson

SNAPSHOTS OF TOMORROW'S ATHLETES

HOT FROM THE FIELD

"Although I have been coaching soccer for one year at W.J. Keenan High, I have thoroughly enjoyed working along with the players and sharing my gained knowledge with them. Not only have I enjoyed coaching them, I have also enjoyed my friendship with them. Many times coaches are viewed as "dictators" who only care about his teams' status rather than the players' welfare. I pride myself in thinking that I am a friend as well as a coach."

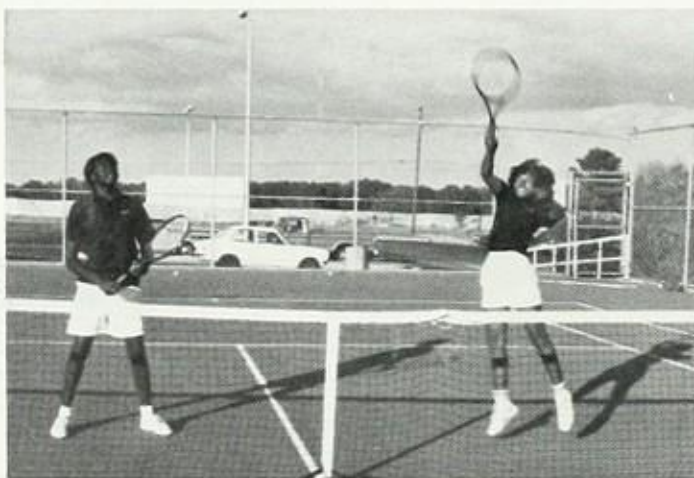

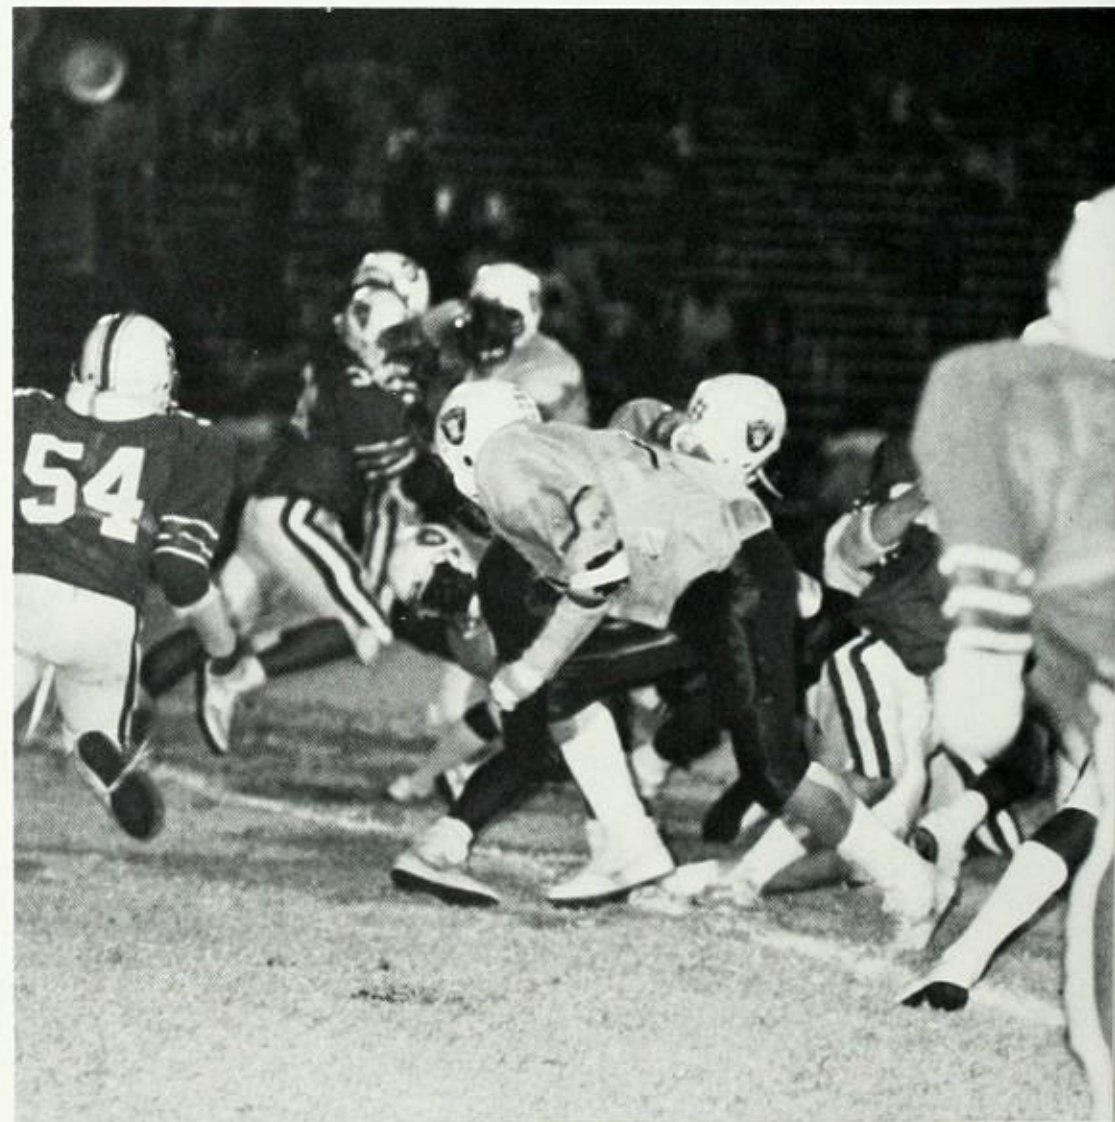

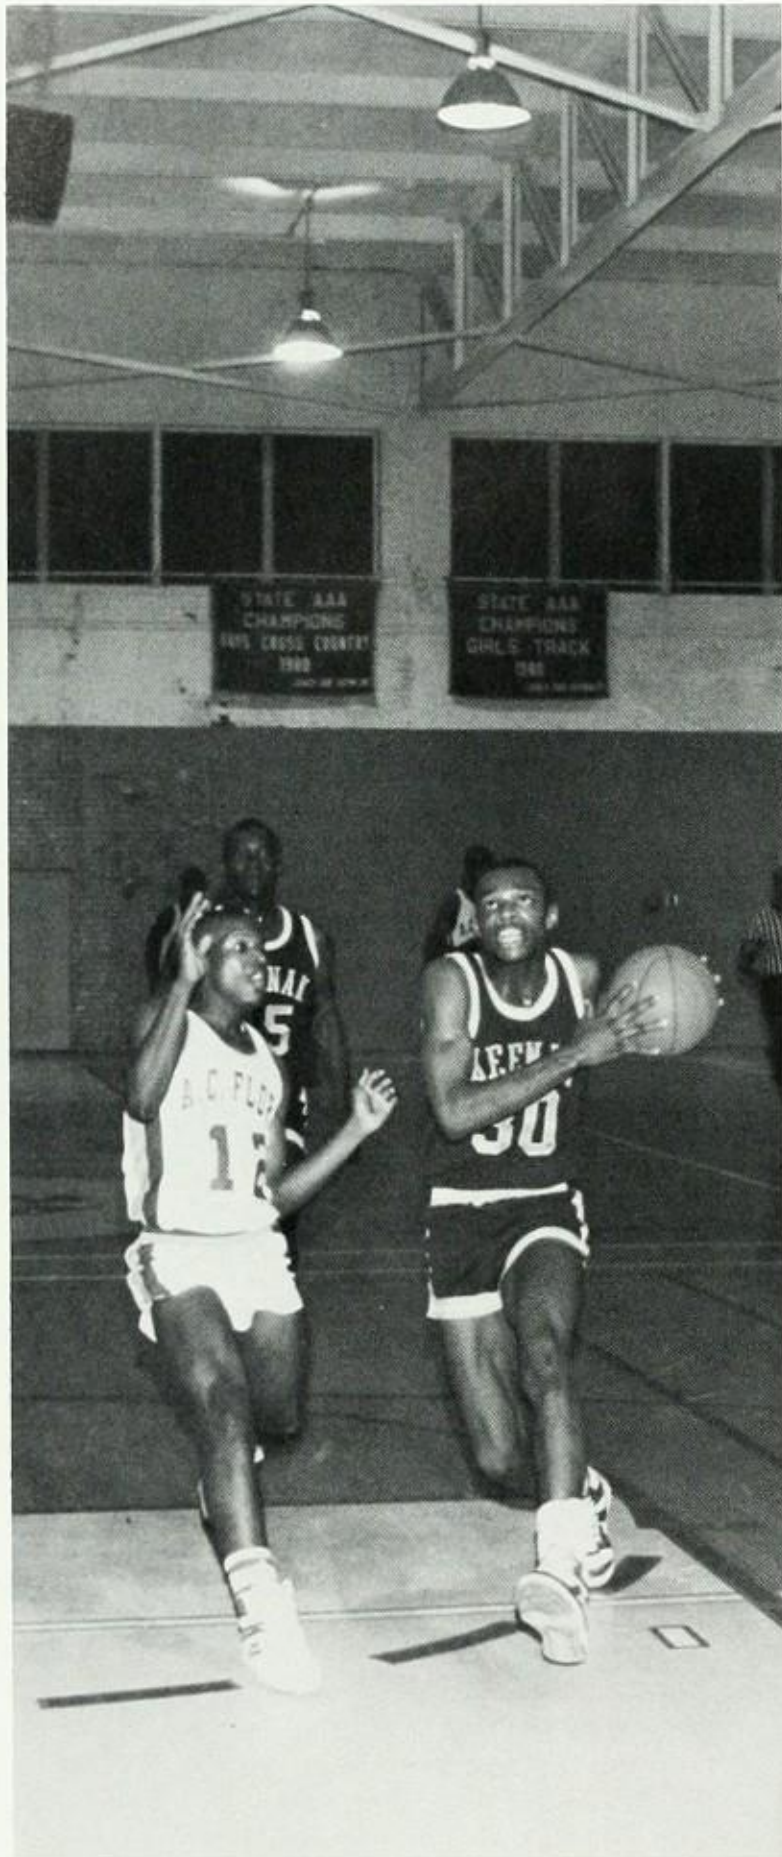

Coach Krolewriez

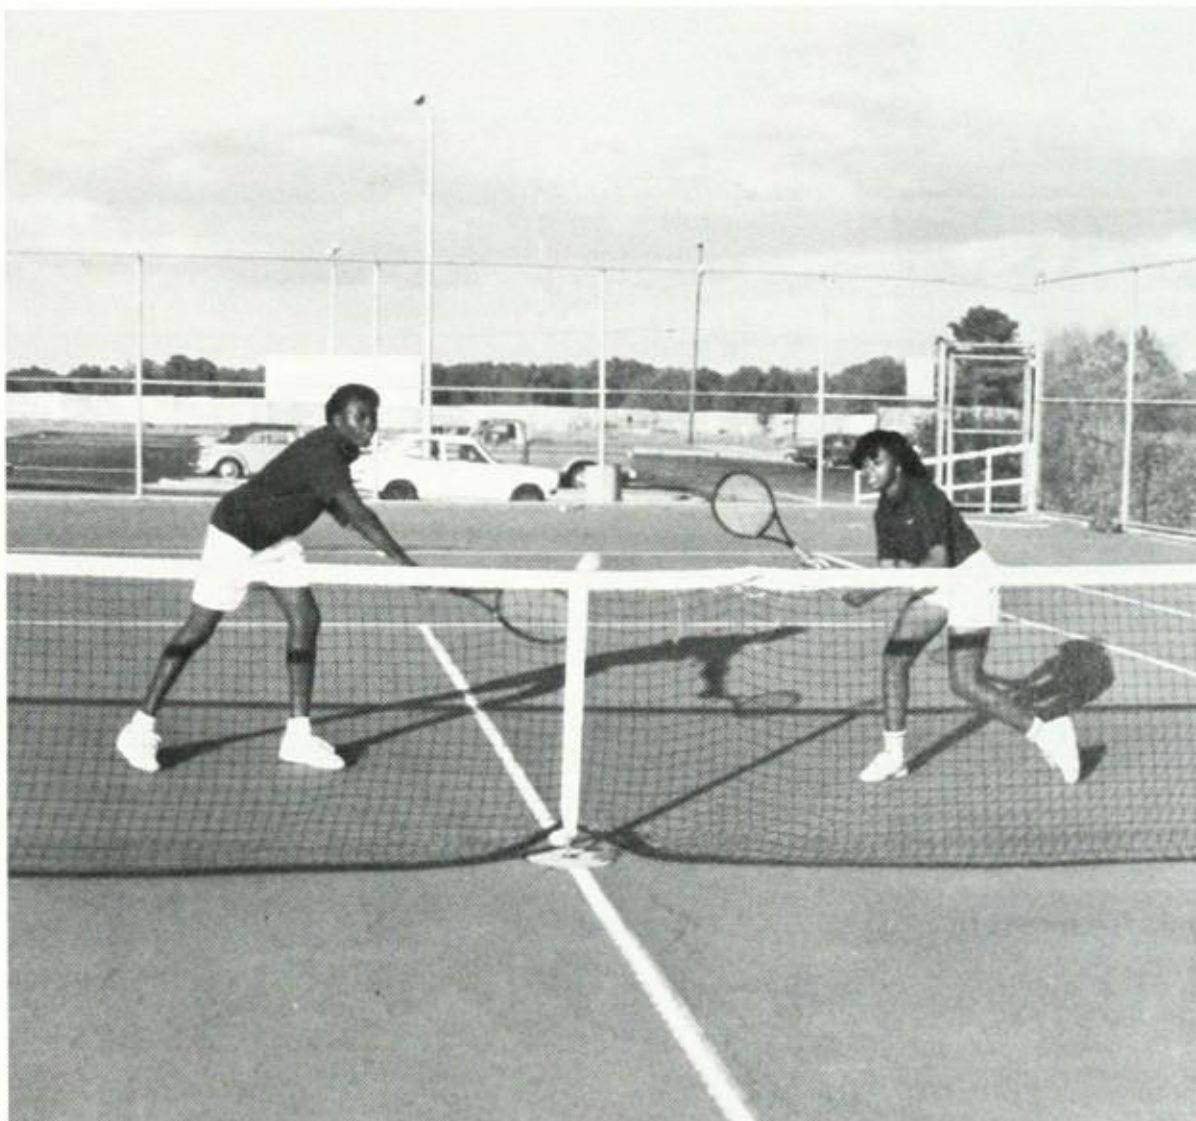

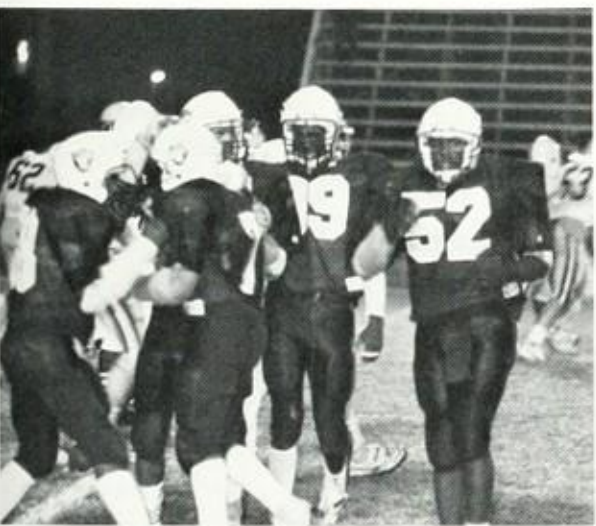

"As a woman coaching a male sport all the obvious feelings apply. Yes — score one for Women's Lib, but most of all score a million for a great group of baseball players who love their sport enough to play regardless of any "special" circumstances. They are the ones who influence my enjoyment of every aspect of our team effort; from conditioning to winning. Thank you guys — you make the experience of being your coach both a pleasure and a privilege!"

Business & Community

The dedication and hard work of the Keenanscope staff is only a part of the award-winning yearbook. Without the support of local businesses, the production of the book could not be possible. With a large sum of advertisements, we have been able to produce one of the best books possible.

Many thanks go to those businesses, patrons, and parents who have chosen to support our yearbook in this way. Once again, your support is greatly appreciated.

DECA

IN

MEMORY

In Memory of Mrs. Adele L. Volin

The yearbook staff is dedicating this page in memory of Mrs. Adele L. Volin for all the time and effort she put in at Keenan. Mrs. Volin typed all the senior indexes for the past two yearbooks. She also typed and wrote articles for the school newspaper.

Mrs. Volin worked with the PTSA and served on the committee to select a new principal for Keenan two years ago. When there was a threat to close Keenan, she wrote letters and attended meetings to protest this decision.

Mrs. Volin always fought for what was in the best interest for Keenan. The newspaper and yearbook staffs will surely miss her. May she rest in peace.

Dear Mary
 I have just received your letter of the 11th and am
 very glad to hear from you. I am well and hope
 these few lines will find you the same. I am
 thinking of you very much and hope to hear from
 you soon. I am your affectionate friend,
 Mary.
